

## Industrial Valuation Increases

Industrial and residential ratios increased, while commercial property decreased this past year in the town's breakdown of its \$238,136,700 total valuation, according to figures released by Assessor William H. Russell.

Raytheon Co. maintains its position as the town's top taxpayer with its annual tax bill listed at \$673,873.80 on property valued at \$12,714,600.

The breakdown by classes shows a drop in the commercial property in Andover in the past from 11 per cent to nine per cent, based on a decrease from 176 to 167 units assessed in 1976-77. Value of the commercial property units was listed as \$20,466,200 this year, compared to \$25,223,700 last year.

There was a substantial increase in the town's industrial valuation this past year, the

number of units increasing from 71 to 87 this year and the valuation from \$32,961,500 to \$36,659,600.

From a percentage standpoint, the industrial class moves from 14 per cent to 15 per cent of the town's total assessed valuation.

Residential properties maintain the highest ratio with homeowners bearing 76 per cent of the total. The number of

residential units assessed increased from 8,493 to 8,520 this past year, with the valuation going from \$172,368,300 to \$181,110,900.

Raytheon maintains its top spot among the town's taxpayers, a place it has held for most of its corporate life in Andover. There was one year when the Gillette Co. moved

## Town Bills Tewksbury \$39,000 For Water

The town of Tewksbury will be receiving a bill for \$39,179 for some 33 million gallons of water which slipped unnoticed through a gate on the Andover line.

Selectmen, Monday night decided unanimously to bill Tewksbury at the normal rate established for sale of water to other communities, despite an explanation of the problem and an effort toward agreement made by Town Manager J. Maynard Austin.

The problem arose through the gate, which supplies water to Tewksbury being opened accidentally, or in any case in error,

and going unnoticed for a period of time.

Andover and Tewksbury reached agreement on this town providing water to meet emergency needs in 1975. Tewksbury installed only a single gate, although it had been requested that two gates be installed.

When the matter was discovered, Town Manager Austin and Director of Public Works Robert E. McQuade met with Tewksbury officials and reviewed the problem, came up with the amount of water which had flowed into the neighboring town and came to the conclu-

sion that, recognizing there was an error, only the cost of processing the water should be charged. This would be in the vicinity of \$5,000.

But, Chairman Milton Greenberg and his colleagues were upset over the matter and that it had not been reported sooner.

Greenberg said that rates had been established, "the rate is clear and there should be no compromise on water rates. They used the water and will have to pay."

As for Greenberg's objection

The largest turnout of voters in Andover's history lent support to the Ford-Dole Presidential ticket Tuesday, while supporting Democrat candidates in most other contests.

Jimmy Carter and Walter Mondale were the winners of the president and vice president race in a close electoral decision, decided about 4:30 a.m. Wednesday.

In Andover, however, the record turnout may also have presented the town with its highest percentage of registered voters responding with 86.7 per cent casting ballots.

Long lines were prevalent throughout the day at Andover's six polling places as 13,299 voters exercised their franchise. The total registration of 15,325 was the largest even in the town's history.

With registered Democrats outnumbering Republicans in Andover in recent years, it was somewhat surprising to view the support for the President Ford-Robert Dole ticket, which received 7,214 votes to the Carter-Mondale total of 5,464.

Voters then returned to the Democrat candidates almost throughout the ballot, supporting the re-election of Congressman Paul Tsongas, 7,766 over Roger W. Durkin, 5,122 and Dr. John Markey of North Andover for Executive Councilor, 7,741 to Jacqueline Williams, 4,731. Sen. Edward Kennedy was accorded 7,389 votes in his re-election bid over Michael Robertson, 5,168.

Republican William Saltonstall, seeking re-election to the state senate in precincts five and six, received strong support with 6,237 votes to 3,086 for Joseph V. Gracey.

In the County Commissioner race, Democrat Katherine Donovan of Lawrence received 5,963 votes and Republican Michael Madden, also of Lawrence 5,337 votes. Mrs. Donovan and John McKean of Beverly were the ultimate winners in the contest.

Probably the greatest attraction to voters this year were the referendum questions with Andover voters approving the Equal Rights Amendment, as did the state; opposing a graduated income tax, approving absentee voting for religious reasons, opposed to a state power authority, a ban on handguns and flat rate electricity.

While Andover approved the bottle ban bill, the matter was disapproved at the state level by a small margin. Also approved in Andover and across

### Honors At Last Meeting

Members of the Andover Chapter, American Red Cross were honored at the final meeting held this past week. From left, Mrs. Kim Fiske, executive director, Miss Ruth Hayes, long-time volunteer, who received the last flag to fly over the chapter house on Punchard Avenue, Frank Markey, the first secretary of the Andover Red Cross and Dr. Robert Reck, president. Services of the Andover chapter have now been assumed by the Lawrence office.

## Red Cross Chapter Closes

The Andover Red Cross has closed its doors for the first time since it opened as a branch of the Essex County Chapter in 1918.

At the final annual meeting last week, the last flag to fly over the Chapter headquarters on Punchard Avenue, as well as a Clara Barton medal, was presented to Miss Ruth Hayes. Her mother, Mrs. Bartlett Hayes, was chairman of the first committee in 1918.

Special greetings were also extended by Chapter Chairman Robert H. Reck to Frank Markey, who was the first chapter secretary.

Andover Red Cross went on to become a full independent chapter in 1931, and its volunteers have assisted local military families and disaster victims, collected blood, supplied motor service, taught water safety and first aid, and given various other community services.

More than 100 friends gathered at the November Club on Lock Street last week for a pre-business meeting social hour.

Dr. Reck received a plaque from the New England Division for his services as chairman, as well as a certificate of recognition from the Andover Chapter itself.

Certificates of recognition were also presented to volunteers Nicoletta Retalis and John MacLeish for motor services; Pearl McKeown, Kathleen Lane, Dorothy Tavern, Augustine Delaney, Mary Ann Perry, Walter and Katherine Gordon, the Greater Lawrence Regional Vocational Technical High

School, Gillette Toiletries Division, the Internal Revenue Service, Raytheon, Shawsheen, West and Andover High schools and Phillips Academy for the blood program; Dorothy Christopher and the Andover-North Andover YMCA for safety services; and Barbara Vayanos, Lisa Spiegel, Gregory Santuccio, Robert Butler, Robert Reck, Jean Warren and Mark Manley for overall program.

Mrs. Frank Santuccio, chairman of volunteers, presented service pins, and Verena Pettoruto topped the list with 40 years, followed by Virginia Perry and Gertrude Colpitts with 30 years; Mrs. P.W. Moody, Edith Eastman, Ann Lux, Elizabeth Nadeau and William Perry, 20 years; and Edith Cady, Eda Warwick, Frank Kolodny, Eunice Dailey, Alvie O'Reilly and Irma Valz, 15 years.

Ten-year service pins went to Ann Anderson, Barbara Vayanos, Edward Gordon, Dorothy Santuccio, Ruby Zappala, Marilyn Beatie, Sandra Bertelli, Virginia Cahill, Shirley Guild, Francis Keaney, Rita Willels, Virginia Heislein; and five-year pins to Patricia Scarborough, Ruth Hall, Barbara Lybrand, Mary Taylor, Walter Gordon, Joanne Lilly, Rose Marasco, Ruth Myhaver, Marian Schofield, Eleanor Scribner, Patricia Shaw, Jane Hillmann, Buelah Woodcock, the Rev. J. Everett Bodge, Edward Erickson and Frances Clotworthy.

Volunteer pins were received by Lorenda Fiske, Lisa Spiegel, Ralph Hanscom, Donald MacCord, Curt Brimblecom, Jerry Rand, Bob Horne, Dennis Donahue, Wayne Blanchard, Lorraine Levesque, Mark Milas and Ken Borowski.

Andover residents will now receive all Red Cross services through the Greater Lawrence Chapter, and Mrs. Elizabeth Fiske, Andover's executive director, said she hoped that local volunteers would continue working.

"Red Cross is what is so important," she said, "not whether it's Andover, Greater Lawrence or Merrimack Valley."

## Historic Book Due Nov. 8

The Andover Bicentennial Commission has been advised by the publishers of its bicentennial book, *Andover in the American Revolution*, by Col. E. M. Harris, that at long last the book will be shipped to Andover on Nov. 8.

It is hoped that the book will be available to subscribers sometime during the following week. Those who have not ordered a copy of the book and wish to do so are advised that the price will go to \$12. per volume effective next weekend, the pre-publication price of \$9.45 prevailing until then.

Discussion of the office location problem expected to be on the agenda when the selectmen meet Monday at 7:30 p.m. in the meeting room at the town hall library.

The selectmen have insisted that the police department find a location for its proposed processing plant. In the process, local officials objected to such site. Sidney P. White proposed Andover street, a street site.

Last week, George Walker regional director of the U. S. Postal Service formed Town Manager Maynard Austin the sites suggested selectmen in the downtown area are not economic.

The school committee moved its meeting scheduled for next week to Monday.

The selectmen, sitting the licensing board Monday night, approved the application for a common victualler and all alcoholic beverage license to Jade Restaurant in Shawsheen Plaza.

Scheduled opening planned for Nov. 25.

The selectmen were formed that there will be at least one additional restaurant, liquor, and

# Town House Topics

## Wood Hill Property Acquired

The conservation commission has acquired a 20-acre site on Wood Hill, as approved at the annual town meeting in the Spring. Purchase price of the property was \$250,000. The land was part of the

package presented to town meeting in the Spring, which also included the purchase of the Sacred Heart land. The Wood Hill - Bald Hill purchase is considered to be excellent from the town's standpoint.

## Home Rule Doesn't Make Agenda

A late item presented for consideration by the selectmen, dealing with Home Rule, didn't make the agenda Monday night. Rules of the selectmen dictate that any item to be discussed by the board after the agenda is prepared the Wednesday previous, must have the unanimous ap-

proval of the board. Monday night, selectmen were presented with a proposal to participate in a Home Rule observance on Monday, Nov. 8. Selectman Allan F. French, however, voted in opposition to the presentation of the time, thus no consideration was allowed.

## Post Office Due For Discussion

Discussion of the post office location problem is expected to be on the agenda when the selectmen meet Monday at 7:30 p.m. in the meeting room at Memorial Hall library. The selectmen have insisted that the post office department find a downtown location for its proposed new processing plant. In the process, local officials have objected to such sites as the Sidney P. White property on Andover street, a location on Dale street and a Stevens street site. Last week, George K. Walker regional director of the U. S. Postal Service, informed Town Manager J. Maynard Austin that two sites suggested by the selectmen in the downtown area are not economically

feasible for development. Both the Main street property owned by the Andover Savings Bank development company and property adjacent to the present post office, suggested for expansion, have been rejected by the postal officials. In view of these latest findings by the post office, the selectmen have been asked for additional guidance. Postal officials continue to guarantee that full customer services will be maintained in the downtown area, regardless of the location of the processing plant. Also scheduled for discussion Monday night is further examination of the Growth Policy statement by the town, and the future of the Ballardvale community building.

## School Board To Meet

The school committee has moved its meeting scheduled for next week to Monday,

rather than Tuesday. The board will be in session at the Stowe school meeting room at 7:30 p.m.

## License Granted

The selectmen, sitting as the licensing board Monday night, approved the application for a common victualler and all alcoholic beverages license to Jade East Restaurant in the Shawsheen Plaza. Scheduled opening is planned for Nov. 25. The selectmen were informed that there will be at least one additional restaurant liquor license

available before the end of the year based on new population figures. Also, it is anticipated that there will be a packaged goods store license available before the end of the year. Chairman Milton Greenberg indicated that the award of the license will follow past procedure, in that the availability will be advertised and applications received.

# Annual Meeting For AVIS

The Andover Village Improvement Society will hold its 81st annual meeting Tuesday, Nov. 9 at the Christian Formation Center on River Road in West Andover. The social hour will start at 6 p.m., followed by dinner at 7 p.m. There will be a brief business meeting with election of new members to the board of trustees.

AVIS acquires woodlands, wetlands and riverbanks and preserves their natural qualities. The reservations, such as Baker's Meadow, Shawsheen River, Harold Rafton, Deer Jump, to name a few, are well known to all townspeople. Trails are maintained and open to the public and all activities agreeable with conservation objectives are encouraged.

Harper Follansbee, a long time member of the faculty of Phillips Academy, will present a program on his experiences recently in Kenya. He was associated with INTERLAP, a program in which American high school students spent a semester travelling throughout Kenya. They participated in work projects and spent time out in the

frontiers. Everyone is invited to attend. For dinner reservations or information call Lyn Beattie, Glen Meadow Rd. There is no charge for attending the program which will begin at 8 p.m.

## Flu Clinic Saturday

The Andover Board of Health will hold a second free influenza clinic, under the supervision of Dr. John Wholey and Dr. Francis Soule on Saturday, Nov. 6, from 9 a.m. to 12 noon at the Doherty School, 36 Bartlet Street, for Andover residents 18-65. Monovalent Vaccine which affords immunization against Swine Flu will be administered. There will be Bivalent Vaccine available at this clinic for those over 65 and those with Chronic Illness who could not attend the Nov. 3 clinic. Enter the Doherty School side door off the play area. Parking - hot top in rear. If any person has any question as to whether he or she should be vaccinated, he/she should consult his/her personal physician.

## ACT Presents Fifth Season

The Andover Community Theatre is celebrating its fifth season with a high-spirited farce called, appropriately enough, "The Fifth Season."

Humor and tenderness are the keynotes of the play about the hectic New York garment industry, which opened on Broadway in 1953. It was written by Sylvia Regan and directed by Ed Stoddard.

The local production is scheduled for the weekends of Nov. 12 and 13, and 19 and 20, at West Jr. High School. Curtain time is 8 p.m.

Tickets are available from ACT members and at the door, with special rates for students and senior citizens.

The cast includes Edmund Lockwood, Linda Kennan, Patricia Aiello, T. J. Murphy III, Elliot Winnick, Noel Forbes,

Marianne Karp, Marc O'Brien, Caryl Hastings, Barbara Wackowski, Connie Fogg, Emily Campbell, Mike Roy and Bea Chadwick.

Julie Pike is producer and Ann Fitzgerald the stage manager, assisted by Anne Erickson. Also involved in the production are Joan Roy, business manager; Bea Chadwick, costumes and Ron Wackowski, props. Pat Doran is ACT president.

Five years ago a group of 10 to 15 townspeople, many of them from the old Andover theater group, The Adventurers, met and set down the guidelines of the Andover Community Theater.

Since then ACT's membership has grown to 40 and the group has presented a spectrum of drama from "The Crucible" and "The Little Foxes" to melodrama and Neil Simon's "Barefoot in the Park," as well as the classic

"Lysistrata."

The group has won several awards and honorable mentions at the annual New England Theater Conference and, through the Andover Recreation Department, has supervised a children's theater workshop for two years. ACT has also cooperated in productions with Andona and Andover ABC.

Many of ACT's most active members have been high school students and young adults and the group is open to all members of the community.

## Sacred Music Concert At Academy

The Phillips Academy Chorus and Orchestra will perform Franz Joseph Haydn's "Harmoniemesse" next Sunday, Nov. 7, at 7 p.m. in the Cochran Chapel at Phillips Academy.

The "Harmoniemesse", or Missa Solemnis in B-flat, was the last work that Haydn composed. The title, literally translated "Wind Band Mass", refers to the use of larger woodwind sections than in other Haydn masses.

The soprano soloist for the concert will be Susan Carlson, a well-known singer in the Boston area who performs with the Cantata Singers. Lydia Whitehead, a mezzosoprano and member of the Phillips Academy faculty, has often performed with the P.A. Chorus, notably as soprano soloist in last fall's production of the Faure "Requiem." Crayton

Bedford, former director of the Academy's School Year Abroad program, is a tenor in the Cantata Singers and frequently appears as a soloist in the North Shore area. The bass solo will be sung by Robert Lloyd, chairman of the P.A. Art Department. Mr. Lloyd also performed in the Faure "Requiem" last fall and has been a soloist with the Chorus on numerous occasions.

The Chorus, Orchestra and soloists will be under the direction of William Thomas, chairman of the Phillips Academy Music Department.

## County Government Luncheon Topic

With the national election out of the way, the Andover League of Women Voters is turning its attention for the first time since the 1960's to county government.

State Rep. Gerald M. Cohen and Assistant Town Manager Sheldon Cohen will be guest speakers on the subject at a meeting next Wednesday, Nov. 10, at 9:15 a.m., at the home of Alice Friedenson, 9 Wildrose Drive.

Babysitting will be available by contacting Mrs. John P. Leary, 80 Spring Grove Road.

Two Essex County Commissioners were elected in

Tuesday's election, but a League spokesman said many people probably left that part of their ballots blank because they were not sure what a commissioner does.

In Massachusetts, the spokesman says, county government is not an independent level of government, but merely an administrative arm of the state. It has no legislative powers and only some quasi-judicial functions. Any policy decisions or changes regarding the county are made by the state legislature,

and the county commissioners merely act as administrators over certain services and county property.

County government is a part of the Andover League's study this year on Andover's role in regional structures. The League has been looking at how the town cooperates with other communities in such regional problems as solid waste, water control and health services, and the question arose whether the county could be considered a viable region for Andover.

## Biggest Drink In Town

Work on construction of the new 3,000,000 gallon water tank on Prospect Hill continues to move along ahead of schedule. The huge tank, costing in the vicinity of \$750,000 will augment a smaller reservoir adjacent to the new one. An idea of the size of the new water facility is put into perspective by the truck carrying fill to the base, while the Essex County Fire tower rises just in the background of the workmen placing forms for side panels.

## Historic Bus Tour Scheduled

On Sunday, Nov. 21, the Merrimack Valley Textile Museum will conduct an all day bus tour of industrial archeology sites in the Merrimack Valley. The tour will examine historic mill districts and other industrial areas illustrating the rise and decline of New England's textile industry.

Among the many sites to be covered will be: the Davis and Furber Machine Shop and Mill Village in North Andover; the Wood Worsted Mill, Pemberton Mill and Great Stone Dam in Lawrence; the Boot Mills, Pawtucket Gatehouse and Francis Gate in Lowell; the Gay and Silver Machine Shop in North Chelmsford; and the Amoskeag Mills and Corporate Housing in Manchester, New Hampshire.

Luncheon will be provided at A.G. Pollard and Sons Restaurant in Lowell, located in the historic setting of a restored 1890 brick warehouse.

The bus will depart from the front steps of the Merrimack Valley Textile Museum, North

Andover, at 9 a.m. and will return at 5 p.m. Advance registration is necessary and is limited to 47 persons. Further information is available at the museum.

## Heart Screening Test

The Andover-North Andover YMCA, in cooperation with the Lawrence YMCA, is conducting a cardiovascular health screening and exercise testing program this Sunday at the new YMCA building, 185 Haverhill St., Andover. A stress testing clinic will include medical exam, electrocardiogram with continuous monitoring during exercise and coronary heart disease risk factor analysis. A follow-up will include a confidential written interpretation of results for each participant, a group meeting concerning significance of test results and, for those requesting it, individual consultations with a cardiologist or exercise physiologist and the mailing of reports to the personal physician of the participant.

The clinic is being conducted by the New England Cardiovascular Health Institute in Cambridge under the director of William C. Day, Ph.D., L. Howard Hartley, M.D., and J. Alan Herd, M.D., all of Harvard Medical School. The public service project is open to all adults and, the cooperative arrange-

ment between the YMCA and the non-profit Health Institute of Cambridge permits a fee substantially lower than currently being charged for the test alone. A maximum of 50 individuals can be tested and processed in the one day, with each person scheduled for a specific starting time. The quota of fifty has been over-enrolled for some time and a waiting list is being developed for a second day of testing currently being planned. Questions may be addressed to a Physical Director at either the Lawrence or Andover-North Andover YMCA.

## Jaycees Awards Dinner

The Andover Jaycees will hold a dinner meeting on Tuesday Nov. 9 6:30 p.m., at the 99 Restaurant, Chickering Road, North Andover.

The highlight of the evening will be the awarding of trophies to the members of the first place softball team in region one of the Massachusetts Jaycees tournament.

Also a guest speaker will start off the annual Jaycees membership drive. Any young man interested is welcome to attend. For further information please contact Paul Palenski or Bob Dalton, membership co-chairmen.

## Mid-Term Programs Offered

The demand for its Fall Term program from the 5,134 members of record has kept the Andover-North Andover YMCA busy as waiting lists for specific classes have been drastically reduced by addition of more classes, particularly in swimming instruction, gymnastics and crafts.

The best efforts of the limited YMCA staff and large numbers of volunteer leaders are not sufficient, at this early stage of development, to keep abreast of the needs of a rapidly growing membership demand.

Many additional special programs are due to start midway in the term and some of these are filled to capacity, but others can still welcome additional enrollees. Prior registration at the YMCA building, 165 Haverhill St., Andover is required.

Enrollment is presently taking place for boys' basketball league play in the following age divisions: 8 year olds, Pee Wee Division for 9 and 10 years, Junior Division for 11 and 12 years, Intermediate Division for 13 and 14 years olds.

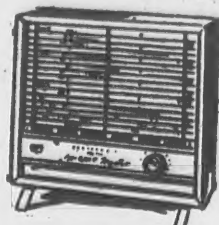

Other programs also open only to Full Privilege Members include: Youth Water Polo on Wednesdays 7:45 p.m. for grade 7-12, Girls' Dance Tuesdays 3:45 p.m. for grade 5-9, Open to others in the community are: Cooking for Pre-Schoolers, Youth Cooking for grades 4-6, Girls' Christmas Decorations for grade 4-6, Women's Paddle Tennis, both informal play or instruction, Women's Stained Glass, and short term workshops for women which include Green Wreath, Christmas Ball, Macrame Santa Claus, Christmas Decoration, Christmas Teddy Bear & Christmas Boutique.

# Contracts Awarded For Rte. 495 Upgrading Work

Commissioner John J. Carroll of the Massachusetts Department of Public Works announced that two contracts have been recently awarded for upgrading Route 495 in Essex County to the latest National Safety Standards.

The low bidder on the 6.7 mile section running through the Municipalities of Andover, Lawrence and North Andover was the Cardi Corporation of Warwick, R.I. at \$3,681,759. Work on this project is presently underway.

The low bidder on a 9 mile section scheduled to begin shortly in Lawrence, Methuen and Haverhill was the DeMatteo Construction Company of Quincy at \$4,322,458.75.

The purpose of these upgrading projects is to decrease the risk of accidents and accident severity being experienced by motorists on our Interstate System.

The work included in these two contracts call for the flattening of slopes where practical, removal of ledge outcroppings and other fixed objects to provide a recovery area, improvement of ramps and deceleration lanes to conform to present design criteria, replacement of rigid sign and light posts with

breakaway posts or relocation outside of the recovery areas, replacement of obsolete or damaged guardrail with the newest type, upgrading of all of the existing bridges and resurfacing of the existing roadways.

The department, working in conjunction with the Federal Highway Administration, the Executive Office of Environmental Affairs and Environmental interest groups adopted several new policies this year including curtailment of extensive rock and ledge excavation.

Once safety upgrading operations have been completed, supplemental contracts will be advertised to replant aesthetically affected areas beyond the recovery area. These plantings will consist of nursery grown shrubs and trees.

The commissioner added that the results achieved by the completed safety upgrading of I-93 from Boston to New Hampshire prove that this program can have a dramatic effect in reducing serious injuries and fatalities on our Interstate System. On I-93 our accident statistics show an overall 37% reduction in accidents and a reduction in fatalities from 13 to 1970 to 1 in 1975.

In a further effort to alleviate traffic problems related to safety upgrading projects, a new specification item has been added to DPW contracts for these jobs. The new item directs the contractor to provide a traffic control crew who will monitor traffic surveillance in the construction area, i.e. barrel placement, replacement of damaged or improperly functioning traffic control devices, traffic movement, etc.

The contractor will perform no weekend or holiday work and he will be required to provide two travel lanes at all times.

The department's \$56,000,000 program to upgrade the state's remaining 126.9 miles of Interstate Highway to the latest National Safety Standards is expected to give a boost to Massachusetts' sagging construction industry by providing upwards of 4000 on and off site jobs for these various statewide projects.

These two projects are being funded under the Federal Interstate Program on a 90% Federal/10% State basis and are scheduled for completion in October, 1978.

## Christmas Lights Fund Lacking

Selectmen Monday night offered to provide town equipment and manpower to the Chamber of Commerce for their Christmas lighting program, but not \$1,000 to insure that the downtown area would have holiday decorations this year.

Douglas N. Howe, Jr., president of the Andover Chamber of Commerce appeared before the board asking for the \$1,000 assistance in view of the costs of conducting the program this year.

Howe said that the low bid on installing the lights, was \$1,600 from Hollis Electric Co., plus an additional \$500 is needed to repair the lights, which the Chamber owns.

He said that merchants subscribe to the annual lighting program in an amount approximating \$1,000. Costs of the program in future years will be even higher than this year, Howe informed the board.

Chairman Milton Greenberg said that while he appreciated the problem faced by the chamber, he was hesitant to set a precedent by spending taxpayers money for such a program.

Selectman Richard J. Bowen said that there was, in fact a precedent for chamber-town participation in a project, noting the planting of trees along Main street several years ago, a project in which the town matched whatever funds were

provided by the chamber.

Town Manager N. Maynard Austin said that the Christmas lighting program is more than an advertising of the downtown area, it is a community effort, and that other communities do participate through providing of funds.

Selectman Alan F. French said he would rather see funds applied to improved parking in the downtown area and wouldn't want to "see us open this box."

Chairman Greenberg pointed out that there were no funds available for such a purpose, adding he was hesitant to go before the Finance Committee to ask for a \$1,000 transfer for this purpose.

Public Works Director Robert E. McQuade was asked if he could provide assistance and replied that the town had the equipment and manpower, but that there were problems,

such as paying help overtime since the work is done at night, as well as liability.

The board then voted to support the chamber in its downtown Christmas lighting program, "in kind," but not in financial assistance.

## Writer's Conference

The second annual Writer's Conference, co-sponsored by the Division of Continuing Education and Community Services of Northern Essex Community College and the Merrimack Valley Council on the Arts and Humanities will be held November 5, 6, and 7 in the Learning Resource Center at the Northern Essex campus, 100 Elliott Street, Haverhill.

The three-day conference will provide an opportunity for participants to share the work of leading area writers, to attend workshops on the short story, the

novel and poetry, and to discuss their own manuscripts which must be submitted prior to the conference.

The Friday, November 5th session will be held from 7-9 p.m. and will focus on readings by noted authors Andre Dubus, James Valhoul, Page Edwards, Jr. and Eleanor Hope-McCarthy.

### Statistically Speaking

While this year hasn't been quite as enjoyable, from a winning standpoint, Bob Cammett, remains the regular statistician for Andover High's Golden Warriors. Bob has been with the team during both good and bad years and keeps all of the records while watching the action from the sidelines.

## Warriors Lose By Inches

By Rick Harrison

One-half yard . . . 18 inches . . . 1/200th of a football field.

That was the microscopic distance between victory and defeat for the Andover High football team last Saturday.

Jerry Stabile was stacked up just shy of the goalline as time ran out, enabling Lawrence High to squeeze out a 20-15 upset win over the Golden Warriors at Veterans Stadium.

Jerry Stabile was stacked up just shy of the goalline

The inspired Lancers, just 2-5 overall, thus broke a five-game losing streak and chalked up their biggest triumph in several years.

Coach Dick Collins' crew, who dominated every statistic except the one that really counts, leveled off a 3-3 and kissed all hopes of another Merrimack Valley Conference championship good-bye.

Although it was an exciting game to view from the stands, along the Andover sidelines there must have been a feeling of complete frustration.

The Warriors clicked off 21 first downs, 253 yards rushing, 110 yards passing, and controlled the ball for 71 plays compared to only 50 for Lawrence.

However, AHS fumbled seven times and lost two of them . . . quarterback Dan Welch had two passes intercepted . . . Paul Derby just missed a 31 yard fieldgoal attempt . . . four times Andover

moved inside the Lawrence 15 and came up empty-handed . . . on two other occasions the Warriors were stopped inside the Lancers' 30 . . . it was one of those afternoons.

Then there was the matter of Tony Grillo and Jack Halloran, a virtual two-player wrecking crew for Lawrence.

Grillo, a doubtful starter for the game because of injury, gained 139 yards rushing in 16 carries

and made seven tackles on defense. The gutty halfback had a hand in all three Lancers' touchdowns, scoring on 47 and 18 yard runs, and pitching a 16 yard option pass to Jay Karamour-topoulas for a TD.

Halloran was a defensive line all by himself, sacking Welch three times and taking part in no less than 21 tackles.

Stabile enjoyed another outstanding game on the ground,

rushing for 142 yards in 21 carries to lift his seasonal acreage to approximately 650 yards. He also scored his sixth touchdown of the season, and roamed the field making tackles from his linebacker post.

### Fast Start

The wild contest was highlighted by a fast start and a fast finish offensively by both teams.

The MVC rivals traded touchdowns in the opening 2:20 of play, and did the same during the final 2:53 of the fourth quarter.

The favored Andover crew needed only three plays to grab a 7-0 lead.

Rick Collins returned the kickoff to the 29, where Paul Farnham fell on the ball after it was pried loose by the hawking Lawrence specialty team.

Dan Welch turned a simple quarterback sneak into a rumbling 55 yard gain behind Gerry St. Onge's block. Welch added five yards on a keeper left to the Lancers' 11, and Stabile knifed over for the easy touchdown at 1:10.

Paul Derby drilled the conversion between the posts for a 7-0 bulge, but it was the last time Andover saw paydirt for awhile.

Joe Terrion, incidentally, did a masterful job of putting the ball down for Derby's kick after performing a short juggling act with the center snap.

Not to be outdone, LHS countered with a three-play, 61-yard "march" of its own following Lou Pizarro's kickoff. Jim Moran burst off left tackle for 13 yards, QB Mike Laveriere struggled for one yard, and Grillo hit the same hole on the left side for a 47 yard scoring jaunt.

Grillo fired the two-point conversion pass to Joe DeNuncio, who wiggled free in the right rear corner of the endzone, and Lawrence had its first lead, 8-7.

The Lancers had been shut out in three previous games, and had scored only five TDs in six starts before the Andover contest.

### Frustrations Begin

Lawrence came right back with an onside kick, but Matt Mirisola covered the ball for Andover at the Warriors' 41.

Stabile churned 17 yards on two carries, Collins added 11 on a counter play, Welch bucked the line for five yards, and Collins streaked 12 yards to the Lancers' 14.

Stabile inched to the 12 on first down, but Welch lost three yards and then had a pass intended for Farnham batted down by DeNuncio.

Derby came on to attempt a 31 yard fieldgoal, but the kick was wide to the right side.

The Lancers moved efficiently to midfield on the running of Grillo and Jim Moran, but on first down Paul Derby swiped a Laveriere pass intended for half-

### Lancers Pass

Halloran retrieved a fumble on the Warriors' 30, set the eight play mini-Lawrence's second score.

Shorts runs by Laveriere and Dezan with an eight yard pass to Dave Sott, pushed to the Andover Lawrence was facing fourth-and-2.

An illegal procedure showed the Lancers' 16, but Grillo unloaded yard option toss to topoulas for the TD.

Laveriere tried a pass over the middle the extras, but overthrown.

Andover thus stayed TD and two-point conversion, trailing 14 through the second quarter.

### Two Drives Back

Collins' crew had a first half drives by Lawrence clung tenaciously.

Stabile ripped the two yards, but on the play the omnipresent Terrion at the goalline it to the 28 where he out of bounds.

### Disappointment

The third quarter more disappointment AHS offense.

On the second play half, cornerback Dezan recovered a Laveriere caused by Bob Murray Lawrence 43.

Stabile lugged the times for nine yards, tackled on nine more keeper to the left side.

Jack Halloran saw Welch for no gain, fourth-and-6 at the Lawrence intended for Farnham incomplete.

back Jay Dezan at the AHS 29.  
It was the third interception in  
two weeks for Derby.

Four plays later, after Stabile  
and Pizzaro advanced the ball  
back to midfield, Jack Halloran  
pounced on a Warriors' fumble at  
the 50.

The first quarter ended with a  
Joe LaRosa punt to the AHS 21.

### Lancers Pad Lead

Halloran retrieved his sec-  
ond fumble on the next play at  
the Warriors' 30, setting up an  
eight play mini-drive for  
Lawrence's second six-pointer.

Shorts runs by Grillo,  
Laveriere and Dezan, coupled  
with an eight yard pass comple-  
tion to Dave Sott, pushed the ball  
to the Andover 11 where  
Lawrence was faced with a  
fourth-and-2.

An illegal procedure penalty  
shoved the Lancers back to the  
16, but Grillo unloaded his 16-  
yard option toss to Karamour-  
topoulas for the TD.

Laveriere tried a desperation  
pass over the middle to Sott for  
the extras, but it was  
overthrown.

Andover thus stayed within a  
TD and two-point conversion of  
the lead, trailing 14-7 midway  
through the second quarter.

### Two Drives Blunted

Collins' crew had a pair of late  
first half drives blunted, as  
Lawrence clung tenaciously to its  
lead.

Following the touchdown AHS  
marched from its own 31 to the  
Lancers' 17. Stabile, combining  
bullish strength with the easy  
stride of an antelope, chewed up  
52 yards of turf in three carries  
including a 30 yard explosion on  
fourth down at midfield.

The trek bogged down at the 17,  
and AHS surrendered on downs  
when a Welch pass was tipped at  
the line of scrimmage by  
LaRosa.

Four plays later LaRosa  
punted out to the Lawrence 44.  
Welch drilled 10 and 17 yards  
aerials to junior receiver Joe  
Terrion, and with 1:07 to play in  
the half Stabile gained five on a  
draw. A swing pass to Paul  
Farnham was good for seven  
yards and a first down at the LHS  
five.

Stabile ripped the right side for  
two yards, but on the following  
play the omnipresent Grillo in-  
tercepted a Welch pass for  
Terrion at the goalline, returning  
it to the 28 where he was driven  
out of bounds.

### Disappointments

The third quarter brought  
more disappointment for the  
AHS offense.

On the second play of the final  
half, cornerback Dan Hayes  
recovered a Laveriere fumble  
caused by Bob Murray at the  
Lawrence 43.

Stabile lugged the ball three  
times for nine yards, and Welch  
tacked on nine more with a  
keeper to the left side.

Jack Halloran smothered  
Welch for no gain, forcing a  
fourth-and-6 at the Lancers' 28. A  
pass intended for Farnham fell  
incomplete.

Late in the period the Golden  
Warriors assumed control at  
their own 25, and ate up con-  
siderable time with a 13-play  
drive that was to fizzle on a bad  
pitchout at the Lawrence 24.

During the fruitless march  
Stabile ran twice for nine yards,  
Welch sliced for 30 yards on five  
carries, and Collins cradled a  
nine yard aerial from Welch.

Twice Andover converted  
fourth and short yardage  
situations, the first time from its  
own 34 yard line, and things look-  
ed good. A first down pass from  
the 24, meant for Farnham, was  
blocked by Bill Perez. The errant  
pitch from Welch to Pizarro  
followed, however, and after a  
mad scramble former Andover  
resident Bill McGuire recovered  
at the 38.

The Lancers, behind a 16 yard

Grillo run and nine yard Grillo  
reception, penetrated to the AHS  
31 where the defense stiffened to  
halt Laveriere on a fourth down  
QB sneak.

### Frantic Finish

With six minutes left in the  
game, AHS was forced into its  
first putting situation of the after-  
noon from its own 36.

Bob Park left-footed a perfect  
spiral downfield, but he was hit  
by Mike Blackington for a  
roughing-the-kicker penalty and  
new life.

A first down at midfield with  
1:54 to play kept the AHS hopes  
alive, but Halloran smashed  
through to sack Welch for a 14  
yard loss. A delay of the game  
penalty backtracked the ball to  
the Warriors' 32, and Blackington  
tipped a Welch pass to the  
ground.

Now faced with a third-and-29  
situation, Welch uncorked a 20  
yard aerial to Paul Farnham at  
the 1-48.

An 11 yard sideline pass to  
Terrion achieved the first down,  
and Stabile rambled 14 yards  
with a pitchout.

Welch followed with a perfect  
23 yard scoring strike to Vic  
Lanio, who had cruised behind  
the Lawrence defense and was  
open by 10 yards in the left  
corner of the endzone.

Collins naturally elected to go  
for the two point conversion.

Stabile was buried on the initial  
try, but the Lancers were  
detected offside on the play.

The second effort succeeded,  
with Stabile (40 points) again do-  
ing the lugging, and with 2:53 to  
go the Golden Warriors were  
back on top 15-14.

### One Long Pass

Lawrence refused to buckle,  
however, as Dennis Moran  
returned the ensuing kickoff to  
the Lancers' 34.

Mark Hopkins flattened Grillo  
for no gain on the first play, but  
the next one was a killer.

Laveriere lofted a perfect pass

to Joe DeNuncio, who found  
some daylight down the right  
sideline. The play covered 41  
yards to the Andover 25, and with  
2:04 to go LHS was back in  
business.

Grillo cracked seven yards to  
the 18, and then motored straight

up the middle for the winning TD with 1:28 to play.

Grillo's pass to Karamour-topoulas for the two points failed, but the Lancers were up 20-15.

### Final Bids

Ray Lynch returned the final kickoff to the AHS 46.

Welch followed with a long bomb intended for Vic Lanio, but the 50 yard heave was intercepted by Dennis Morin who returned it from the LHS 18 to midfield.

Three runs netted nothing for Lawrence, and a personal foul penalty pushed them back to the 35 with 45 seconds to play.

LaRosa dropped back in punt formation, but the center snap sailed over his head and was covered at the Lawrence eight yard line with 36 seconds to go.

Welch was sacked by Jack Halloran at the 14, and with 27 seconds to go Andover called its fifth and final time out.

Welch chucked a screen pass to Stabile, who gathered it in at the 10 and broke four tackles before being wrestled to the ground by three Lancer defenders at the one yard line.

Jerry struggled mightily to either reach the endzone or get out of bounds to stop the clock, but he fell just short of both objectives.

The Warriors lined up quickly and Stabile got the call over the right side, but he was halted at the 12-yard line by LaRosa, Kevin Benoit and Halloran as the final few seconds ticked off.

### Statistics

The final stats showed Andover

Cheerleading captains at Andover high are being assisted this year by the daughter of a former cheerleader, Robin McHendry. Keeping spirits alive, win or lose are Co-Captains Louise Mirisola and Cathy DeLuca, with Robin, daughter of the former Sue Wenneck.

ahead in first downs, 21-9, yards rushing, 253-182, yards passing, 110-77 total yardage, 363-259, and scrimmage plays, 71-50.

AHS, plagued by penalties the past few weeks, had only three minor infractions for 11½ yards.

Welch trailed Stabile in the rushing department for Andover with 79 yards net in 21 carries. Dan actually ran for 110 yards from scrimmage, but he was hit behind the line six times for 31

yards in losses.

Rick Collins picked up 29 yards in four lugs, and Lou Pizarro had eight yards for one carry.

Welch hit on 8-of-19 passes. Terrior caught three for 38 yards, Farnham 2-for-27, Lanio 1-for-23, Stabile 1-for-13, and Collins 1-for-9.

### Notes

Mitch Rousseau remains sidelined indefinitely for An-

dover.

The Warriors have still outscored the opposition, 98-79, but find themselves down in sixth place in the MVC standings.

Derby drilled a few 35 yard fieldgoal tries through the up-rights in pre-game practice. Tom Coffey also tried an unscheduled kick at the end of the warm-ups, punching a high pop-up into the endzone.

Andover brought a fairly good-sized following to Veterans Stadium, as the vast majority of the 1,200 fans were from this town.

Lawrence dressed only 31 players, and used just 17 of them

For anyone who missed it, former Andover standout Bob Farnham caught a touchdown pass as Brown University took the Ivy League lead with a 16-14 conquest of Harvard last Saturday. Meanwhile, Holy Cross whipped Rhode Island 33-14. Glen Verrette plays for The Cross, and Pete Reilly does the placekicking for URI.

When Billerica invades Lovely Field this Saturday afternoon, former AHS grizzer Barry Connors will again be on the sidelines as an assistant coach for the Indians. Billerica Head Coach Clyde Meyerhoefer and Warriors' assistant Dick Bourdelais were teammates at UMass.

### Schedule

Billerica faces Andover Saturday at 1:30 p.m.

The Indians are currently 4-2-0 in the MVC, tied for third place, and they are 4-3-0 overall. Billerica has also won three straight and four of its last five starts.

The visitors opened with a 34-7

loss to undefeated Catholic Memorial in non-league play, and followed that with a 20-14 setback to Tewksbury. Tewksbury led that game 20-0 at halftime, and the Indians are the only team to score twice against Tewksbury this year.

The past five weeks Billerica has beaten Austin Prep (14-6), bowed to Dracut (18-14), and defeated Methuen (28-12), Lawrence (24-0) and Central Catholic (28-14).

Quarterback Pete Coppinger has thrown six TD passes, most of them to split end Steve Norman. Running back Jim Wright has 10 TDs and 62 total points, including 48 points the past three weeks, and Don Rippetoe is also a threat.

Billerica's strong suit is speed and quickness off the ball.

Andover will wrap up its 1976 season by traveling to Dracut (4-2) November 13, and hosting Central Catholic Thanksgiving Day (10:00 a.m.).

# Farnham

(Editor's note: The story appeared in the University athletic paper about Bob Farnham, Andover High all-sports Saturday, Farnham caught a touchdown pass and had receptions contributing to Brown's 16-4 win over Andover.)

By Tom Hennick

Bob Farnham is paid prize for stardom.

After hauling in 56 passes, lead the nation in receiving, and all kinds of records, generally wrecking the Ivy League in 1976, process, Bob Farnham found it difficult to catch a cold in 1976 without finding off two or three days. "Foot out of the lockerroom," thereby pass receiving a very proposition.

With two or three men all over Farnham, quarterback Paul Michalko has been to turn his offensive elsewhere while using favorite receiver as a decoy. The result has been a can't drop in Farnham statistical, although not overall, effectiveness result has also been frustration inside on talented "decoy."

"I'd love to be catching passes," Farnham admitted, but there is a very good reason that I can't right now. It's tremendously frustrating to have to beat two or three men to the ball a lot of times. But I would catch a day if they could throw my way."

To date only one team has not designed it necessary to supply special coverage for Farnham (he caught eight passes in one game) while others are content to give Brown other plays to stop Farnham. As the season continues, it is becoming more obvious that the posing defense wants everything but the pass route to the Farnham.

"What has made this thing doubly frustrating is the kind of double coverage I've been thrown out at from the start with one guy over me but he backpeddles to the deep route. The linebacker or an end drops into the flat. A lot of times I would run the deep back then break off for a yard or a come back pattern now with a guy in front of me and a guy in back, most more effective area denied," he explained.

All the unwanted attention of course, well warranted the 5-10 senior proved a bonafide game breaker this season. Not only did he lead the nation in receiving, but the Ivy League mark for receptions in a season and a game as well as being All Ivy and All East. Going this season, he was picked some as a possible All-American candidate.

"That sort of thing creates any undue pressure to catch more passes than I said," because last year other teams just weren't of what I could do. They off of me pretty deep and use that comeback pattern. I wasn't that concerned with numbers last season. I actually just wanted to stay have a decent season.

That Farnham would "decent" season was also given for John Anderson, he made the Andover national split end at the tail end of the 1974 season. Always a possessor of good speed, fine hands, Farnham lit the high school league as a player with 53 receptions and over 1,000 yards gained. Then a freshman at Brown, he picked up 20 passes and 11 more

# Farnham Always Has Company

By Tom Hennick '76  
Bob Farnham is paying the price for stardom.

After hauling in 56 passes to lead the nation in receiving, setting all kinds of records, and generally wrecking havoc on the Ivy League in 1975 in the process, Bob Farnham has found it difficult to catch even a cold in 1976 without first warding off two or three defenders. "I've been out of the lockerroom," thereby making pass receiving a very tricky proposition.

With two or three men draped all over Farnham, quarterback Paul Michalko has been forced to turn his offensive thrust elsewhere while using his favorite receiver as a decoy. The result has been a significant drop in Farnham's statistical, although certainly not overall, effectiveness. The result has also been growing frustration inside one very talented "decoy."

"I'd love to be catching more passes," Farnham admitted, "but there is a very good reason that I can't right now. It's extremely frustrating to go out and have to beat two or three men to the ball a lot, that's okay. But I would catch 'em all day if they could throw them my way."

To date only one team, Yale, has not deigned it necessary to supply special coverage against Farnham (he caught eight that day) while others are content to give Brown other plays in order to stop Farnham. As the season continues, it is becoming more and more obvious that the opposing defense want to deny everything but the simplest pass route to the speedy Farnham.

"What has made the whole thing doubly frustrating is the kind of double coverage that's been thrown out at me. They start with one guy over on me but he backpeddles to deny me the deep route. Then a linebacker or an end drops out into the flat. A lot of time last year I would run the defender back then break off for a square out or a come back pattern. But now with a guy in front of me and a guy in back, most of my more effective areas are denied," he explained.

All the unwanted attention is, of course, well warranted as the 5-10 senior proved to be a bonafide game breaker last season. Not only did he lead the nation in receiving, but he set the Ivy League mark for receptions in a season and a single game as well as being named All Ivy and All East. Going into this season, he was picked by some as a possible All-America candidate.

"That sort of thing doesn't create any undue pressure to catch more passes though," he said, "because last year the other teams just weren't aware of what I could do. They played off of me pretty deep and we did use that comeback pattern a lot. I wasn't that concerned with numbers last season. I actually just wanted to start and have a decent season."

That Farnham would have a "decent" season was almost a given for John Anderson once he made the Andover native his split end at the tail end of the 1974 season. Always the possessor of good speed and fine hands, Farnham lit up his high school league as a senior with 53 receptions and over 1000 yards gained. Then as a freshman at Brown, he pulled in 20 passes and 11 more in the

Bob Farnham  
four games played in 1974.

"I've always benefitted from being on a team that wasn't afraid to throw the football," he noted, "and that has helped me become an effective receiver. I have been able to use my best abilities to make me a decent player."

"To catch a pass," he continued, "I try to get a quick start off the line of scrimmage. Then it's important to run a disciplined route and have good timing between the quarterback and the receiver. The big thing in my mind, though, is getting off the ball quickly to avoid getting bumped out of the play at the line of scrimmage."

Besides using his good quickness and speed, which have earned him the nickname "Rabbit," Farnham also has an uncanny ability to leap high into the air to snag passes which might ordinarily sail away incomplete. He usually makes those leaping grabs with full knowledge that a defensive back is about to "lower the

boom" from behind.

"The important aspect there," he explained, "is keeping your concentration at all times. It's imperative to be able to watch the ball right into your hands and then tuck it away. As for leaping into the air, it's a matter of timing your jump and looking the ball into your hands at the same time."

Bob Farnham's detailed knowledge of receiving coupled with his awareness of his own physical talents only add to the increasing frustration of not being able to be a primary target most of the afternoon.

"It's really not the numbers, you can't think about them. Last year, for instance, I just kept thinking that one week it was bound to end. I could catch next. Realistically, I didn't give the slightest thought to

catching 56 passes again. I could catch 60 and it wouldn't matter if we didn't win. It does make me feel like I'm not doing my job though. It almost makes you feel like you aren't doing anything out there," Farnham said.

The lack of overwhelming stats hasn't slowed Farnham's drive for Brown's alltime receiving records or his drive towards professional football, however. He was only sixteen catches away from being Brown's best receiver before last week's game against Cornell and still has a shot at gaining the most yards from for a receiver in a Brown career. As for the pros, Farnham has received feelers from the Oakland Raiders, Dallas Cowboys and Denver Broncos and he readily admits that "he'd like to give it a shot." Up his Brown jersey with the number 46 on the back (the

jersey will most likely go on to brother Mark who wore the numeral in high school and is now on the Brown freshman team), he still has a few important arials to haul in.

"Whatever I catch," he offered, "but I would certainly like to have a few big days before the season is over. I think I can find a way to beat the extra coverage."

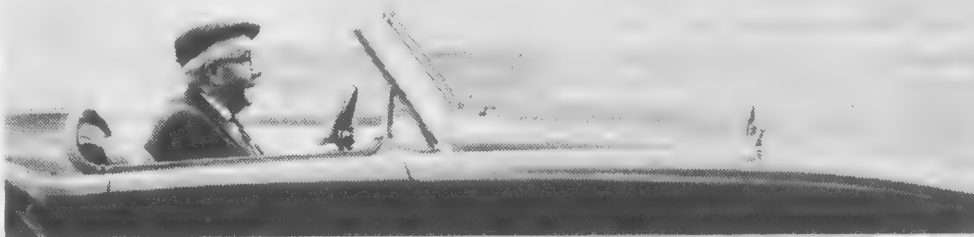

Defensive units, beware. The Rabbit is on the loose.

## Men's Hoop Session Tonight

The final recruiting session for the Recreation/Community School Men's Basketball League will be held Thursday, Nov. 4 at the High School Gym from 7 to 9:30 p.m.

Again the league will feature 2 divisions: 19-32, and 33 and over. All men who are 19 by January 1, 1977 and either live or work in Andover or who have played in

the league within the past two years are eligible to play.

Entry into the league will be on a team basis only. Individuals seeking to play on a team are encouraged to attend the recruiting session on Thursday. Players who cannot attend the recruiting session are requested to call the Recreation/Community Schools Department and have their names placed in a "player pool."

An attempt will be made to place these players on a team.

Complete rules information and roster forms are available at the Recreation/Community Schools Department office at 36 Bartlett St.

Deadline for submission of rosters is 4:30 p.m. Friday Nov. 5. Teams will be accepted on a first come first served basis.

## JV's Top Masco, 1-0

By Ted Teichert

The Andover JV Soccer Team wound up its regular season with a 1-0 win over Masconomet Regional. The teams were well matched.

A push inside the penalty area proved costly for Masco for it set up a penalty kick for sophomore Dave Yates who then ripped it past the Masco goalie. Standouts for Andover were Tom Keefe, Mike Anderson and Scott Keller as well as Chuck Ness who as goalie preserved the shut-out.

Quote of the day came from coach Dave Stackhouse who said "It was a great game and being the first year Andover High has had a JV team, I'm glad to be part of it."

I, along with the other members of this team would like

to thank Mr. Stackhouse for being our coach and providing us with guidance and support throughout the season. We hope he will come back next season! Thanks again, Mr. Stackhouse!

## Swim For A Turkey

On Thursday, Nov. 11 from 10 a.m. until 5:30 p.m., the Greater Lawrence YWCA will hold its' annual Turkey Swim at their pool on 38 Lawrence St., Lawrence. The drawing for the turkeys will be at 6 p.m. on the same day.

The event is open to the public with an entry fee.

Each time a swimmer does the designated distance for his or her age group and ability, a lifeguard will fill out and sign a ticket to be placed in the correct drawing box. There is no limit as to the number of tickets that can be earned but no more than two minutes rest between lengths or widths will be permitted. Strokes may be varied. Swimmers must stay in the water while participating.

Age and ability groupings are as follows:

Boys and girls in the first, second or third grade must swim three widths if they are

beginners or two lengths on a more advanced level. Fourth, fifth and sixth graders will swim either four widths or four lengths for each ticket depending on ability. Junior and senior high school students will go five widths as beginners or six lengths as more advanced swimmers. Adults should choose one of the following groups: beginner two widths, pleasure swimmer four lengths, swim to stay sixteen lengths.

All members of any Greater Lawrence Swim Teams wishing to swim for their Thanksgiving dinner must swim according to these standards: eight and under — four lengths; 9 and 10 year olds — eight lengths; 11 and 12 years — twelve lengths; 13 and 14 years — fourteen lengths; 15 through 18 year olds — sixteen lengths.

Entry blanks and further information are at the YWCA.

## Basketball Leagues

Andover-North Andover YMCA Boys' Basketball Leagues will be conducted again this year with the first session scheduled for Saturday, Nov. 13 under Physical Director Walter J. Kimball, Sr. and a group of YMCA leaders. Programs will continue on Saturday afternoons for a minimum of 10 weeks with games scheduled at the new YMCA gym or, in some instances, at the Brook St. YMCA gym in Andover. Prior registration is required at the new YMCA building, 165

Haverhill St., Andover, eligible are YMCA Full Privilege members only.

Players will compete regardless of ability and each player will be assigned to a team for league play. Coaching is basic skills and informal play will precede participation in an organized league schedule of games, except that eight year olds will not have formal league play.

The League will be conducted in the following age divisions with age on Thanksgiving Day deciding an individual's age for the entire season: Eight Year Old Division; Pee Wee Division for nine and 10 year olds; Junior Division for 11 and 12 year olds; Intermediate Division of 13 and 14 year olds

## Skating Classes

The Andover-North Andover YMCA, with the cooperation of the Andover Skating Club, will conduct a five week series of ice skating classes at the Phillips Academy rink. Only morning times are available and classes begin the week of November 15th. Prior registration is required at the new YMCA building, 165 Haverhill St., Andover. A Winter Term series will also be scheduled to begin in January and registrations for this program will be accepted beginning in mid-December. YMCA instructor Shirley McDowell provides leadership for the program. Full Privilege YMCA membership is not required and the general public may enroll where openings exist.

Two instruction classes for women are scheduled. Women enrollees may participate in informal skating and/or may receive figure skating instruction at each class session, earning achievement badges of the United States Figure Skating Association. A beginners' class will meet on Wednesdays, 9-10 a.m. beginning Nov. 17 with work on the basic skating skills such as forward stroking, backward stroking, stopping, etc. An intermediate group will meet on Mondays at the same hour beginning Nov. 15 with instruction provided at level 4 of the U. S. Figure Skating Assoc. program including beginners' jumps, spins and ice dancing. Participants bring own skates and no children

are allowed at the rink; Child care service is available at the new YMCA building, 165 Haverhill St., Andover.

Two classes for pre-school children are also scheduled, with enrollment open to children born in 1972 or before. Instruction classes will be scheduled on Tuesdays, 9:15-10 a.m. starting Nov. 16. An introduction to skating skills will be provided by

instructors. The mothers will prepare the children for the ice and then leave, picking up the pupils at 10 a.m. On Mondays 9-10 a.m. beginning Nov. 15 mothers may participate with pre-school children of the age detailed above. In this program the mother is entirely responsible for the child and no other instruction is provided. The mother must be on skates, must be an enrollee.

The Andover Golden Warriors Soccer Team ended its season last week on an upnote.

Having lost to Billerica, the first place team in the league, 2-0 earlier in the week, Andover defeated St. John's 4-1.

Andover played very well against Billerica having four opportunities to score in the first period; but goalie Aaron Rood made three exceptional saves to turn them back. Billerica scored, with fifty seconds left in the first period, on their shot on goal. Andover took one period to recover and managed only one shot on goal, but goalie Dave Dauber played well and turned back the Billerica pressure.

Andover came out strong in the third period but were unable to put the ball in the nets. The undefeated goal keeper, who has allowed only 6 goals against all

season, made the difference in the game. Billerica scored an insurance goal in the fourth period on a corner kick. The ball was passed out in front of Andover's goal and deflected over Andover's goalie into the net.

The St. John's game was different with Andover in charge from the beginning. Mike Konjoian scored early in the first period after a cross from Dave Farrell. Andover had many more opportunities due, in part, to play by seniors Rick Dow, Jeff Hubbell, and Jim Ness. St. John's scored late in the second period to tie up the game. However, in the third period Andover's pressure scored three quick goals - one by Dave Farrell with an assist to Mike Konjoian, another by Mike Konjoian with an assist to Rick O'Hara and Dave Farrell finished out the scoring by con-

verting a penalty kick. Goalie and team captain Dave Dauber left the game at the beginning of the fourth period and juniors Chuck Ness and Peter Chiklis finished out the fourth period in goal.

It has been a good year for the Golden Warriors. This year's

record of 6-8-2 represents some good games and some mediocre games.

Five of the eight losses were to the first place team Billerica, second place team Wilmington, and one to the third place team St. John's. There was a tie and a loss to fourth place Methuen, a win

and a loss to Chelmsford who tied for fifth with Andover, two wins over sixth place Lawrence, one win and one loss over seventh place Austin, and a win and a tie over eighth place Tewksbury.

This is indicative of the closeness of the league this year and hopefully the competition will continue to be thus spirited and close in the future. The final standings are as follows:

	W-L-T-Pts
Billerica	13-0-3-29
Wilmington	12-1-3-27
St. John's	9-4-3-21
Methuen	6-5-5-17
Andover	6-8-2-14
Chelmsford	5-7-4-14
Lawrence	4-10-2-10
Austin Prep	3-11-2-8
Tewksbury	1-13-2-4

It should be noted that Billerica has lost only one game in the last two years and Wilmington has lost only two. The Golden Warriors statistics are as follows:

Keeper	GA-G-A
Dave Dauber	13-12-1-08
Chuck Ness	4-3-1-33
Jeff Buck	4-1-4-0
Eric Ketzler	1-1-1-0

Scores	Assists
Dave Farrell, 7 goals	Mike Konjoian, 4
Mike Konjoian, 4 goals	Dave Farrell, 2
Rick Dow, 2 goals	Carl Guterman, 2
Tony Cammarato, 2 goals	Rick Dow, 1
Dave Yates, 2 goals	Bob Zwicker, 1
Rich O'Hara, 2 goals	Tony Cammarato, 1
Dave Johnson, 1 goal	Dave Johnson, 1
Tom Keefe, 1 goal	Rich O'Hara, 1
Carl Guterman, 1 goal	George Donovan, 1 goal.

To the Editor of the TOWNSMAN  
Congratulations to the winner of the 'Andy 500'.

As a parent entry in this prodigious Andover event, I would hope that the children of Andover would be allowed to enter and win with a car of their own design and construction.

The 'Andy 500' reminds one of the Scout Pinewood Derby where Detroit parent designs are entered as original scout ideas.

I hope that next year the Andover Recreation Department changes their rules, especially where anyone that is interested can build a car for a contestant, (a guilty party myself) and allow the children to build their own cars. I also recommend that more than one person clocks the time.

## Why McCarthy Runs

To the Editor of the TOWNSMAN  
Since Eugene McCarthy is running for President again this year and I supported and worked for him in 1968, I would like to offer some thoughts about why there is a need for individuals like McCarthy and about our system in general.

Because I lived the way I did during the fifties and early sixties, I was able to understand so well what Eugene McCarthy was saying. We had all come to same conclusion - i.e., that our institutions were irrelevant and in order to reform them we had to start with ourselves. In most cases, irrelevant meant jejune, mediocre, unjust, unsophisticated, uncreative, insensitive and philosophically and politically simplistic. We weren't the first to say these things. Perhaps every generation probably goes through this same growth pattern. However, due to the tremendous intellectual growth of this country, two terrible wars, the fact that we were probably the best educated group of children in American history we raised additional questions about change, reform and relevance - i.e., why did we have to wait until we were

halfway through our lives to live the way we wanted to? Of course, most of us, since we were against the war, also opposed violence of any kind, except self-defense, and even that as a last resort.

We are now well beyond the sixties. Almost to the eighties and Eugene McCarthy is still running. We have not completed our agenda - in fact far from it. I can truthfully say that not one major change has resulted from the tremendous energy spent in the last 15 years. Let's examine one institution - education - and see what I mean. The only reason I am choosing education is because I have been involved in educational change and have worked in an educational institution.

To my way of thinking, children are still sent to school like automobiles through an assembly line. Learning is organized as though interdisciplinary knowledge, which began to show itself about thirty years ago, did not exist. We are still using old tests to predict whether a child will do well in a university setting. If a child happens to be gifted in basic skills, it's all well and good but if it happens to be music, there is no school available. We still elect school committees from the adult population of the whole town, even though most questions voted on, with the exception of money, affect those with no representation on the board - i.e., teachers and children. We still finance education through the property taxes even though it is regressive and based on property ownership. All children do not have free access to higher education. Industry and professions use universities as clearing houses for expertise even though individuals may learn from many sources. Time in school is still more important than the level of thinking and creativity achieved. We do not have a voucher system so that parents will have choices for their children. We do not use our vast technological resources to enable children to learn directly from the community instead of being institutionalized for at least 12 years. One gets the impression that American schools are afraid of excellence. Skinner is used more than Piaget as a basis for learning. Schools are run for adults not children. Even though excellent educational institutions understand that excellence comes from utilizing the best ideas to emerge, no matter what the source, public school decision-making is still a hierarchy, with few exceptions. We spend more money on practically everything except education.

This is but one institution. One could make as many statements about any institution. But the most important question is - Why does change not occur? How have we become so paralyzed that we are incapable of any action?

To return to politics, why is everyone upset at Eugene McCarthy for running? He is not a spoiler. He is usually right. Many people feel that Ford might be elected if enough Democrats vote for McCarthy. But is that McCarthy's fault? Of course not.

To return to education. It is not because educators and schools have been too experimental in the last 15 years. It is because they have not changed fast enough. Educators cannot effect these changes, since once you are working as an educator, there is no time for anything else. This is true of our political system. Jimmy Carter wishes to accomplish great things, but because our institutions have not changed in fundamental ways he will be unable to do what he wishes.

I think it is sad that Eugene McCarthy will probably never be president. I think it is a weakness in our political system. I feel sad

that most people are so threatened by someone like McCarthy that they cannot make any effort to decide for themselves what they want or to allow others to guide them.

But every time McCarthy runs, he raises pertinent questions that need to be answered and so I say good Luck and I hope you run forever.

## On The Transfers

To the Editor of the TOWNSMAN:

As the concerned parent of a fourth grade student of Mr. James Doherty at the West Elementary School, I am extremely upset at the proposed transfer of Mr. Doherty to the Andover High School. When I first became aware of this proposed action on the part of members of the school committee, I was outraged at the language used by committee members in dealing with the professional careers of Mr. Doherty and Mrs. Darby. Terms such as "beef up" are usually employed in slaughter-houses, not in educational institutions. To read in your paper that a superb teacher such as Mr. Doherty was being referred to as "a salary to be freed up by moving the salary to the secondary level in order to beef up the staffs at the secondary level" insulted my sense of human dignity and integrity! What a way to show utter contempt and disrespect for a fine teacher and a sensitive human being as Mr. Doherty!

In today's world when one searches for the most effective means of communication with one's fellow man, it is difficult to comprehend the irresponsible and callous behavior of the members of the Andover school committee in its handling of the proposed transfers of Mrs. Darby and Mr. Doherty. It is time for

the voters of Andover to take a closer look at the persons elected to the school committee, to remember their flagrant disregard of the best interests of the 290 students, their parents and teachers, affected by these proposed transfers and then to decide if this is the caliber of persons they want to represent them in the future. What is happening now to these students; the disruption of their academic lives at a critical time in their development could happen again to any student enrolled in the Andover

## ABC Family Picnic Active

Activity was the byword at the Andover ABC-Host Family picnic held recently at Recreation park.

The 19 minority youths who are participating in the local "A Better Chance" program this year, attend classes at Andover High, and live in the girls' dorm at 64 Bartlett St. or the boys' dorm at 134 Main. They also spend each Wednesday evening and one weekend a month with their local "host families."

Host families generally "adopt" an ABC youth for the three years he or she is in Andover. The girls and their families, include: Jeanne Bowden of Philadelphia, Mr. and Mrs. Ross Anderson, 18 Oriole Drive; Diane David of

New York City, Mr. and Mrs. Jess Chernak, 13 Forbes Lane; Pamela Holland of Washington, D.C., Mr. and Mrs. Michael Baron, 29 Sagamore Drive; Teresa Hunter of Nashville, Tenn., Mr. and Mrs. Will Robinson, 50 Wild Rose Drive; Anita Palmer of Nashville, Mr. and Mrs. John Riehl, 61 Salem St.; Doretta Robinson of Mamaroneck, N.Y., Mr. and Mrs. Bud Nelson, 2 Cyr Circle and Evelyn Vargas of New York City, Mr. and Mrs. Bill Cook, 8 Karlton Circle.

The boys and their hosts include: Gary Anderson of Nashville, Mr. and Mrs. Bill Washburn, 5 Nutmeg Lane; Willy Arvelo, Mr. and Mrs. Bob Friedenson, 9 Wild Rose Drive; Andy Chattoo of Brooklyn,

N.Y., Mr. and Mrs. David Ahouse, 175 High Plain Road; Mervin Davis of Cleveland, Mr. and Mrs. Doug Mitchell; Ralph Higgs of Kittrel, N.C., Glenn and Nancy Cunningham, 24 Wolcott Ave.; Gerald James, Mr. and Mrs. John Dilorio; 32 Karlton Circle; George Laboo of Philadelphia, Mr. and Mrs. Bill Lane, 154 High Plain Road; Damian Lorenzo, Mr. and Mrs. Al Pratt, 26 Enfield Drive; Tony Pace, Mr. and Mrs. Harry Heilig, 7 Landau Lane; Ted Pugh, Mr. and Mrs. Frank Leith, 18 Lockaway Road and Frank Valentino, Mr. and Mrs. George Vania, 17 Arthur Road.

Mrs. John Logan is in charge of the host family part of the program.

## Grateful F

The town of Andover owes a debt of gratitude to the Academy and the Edward Noble Foundation in arrangement for the artistry of John Stephens, bass-baritone, within the community.

This musician has graciously sung for organizations, schools, churches in this area and given a delightful, very skilled recital of high quality in the Auditorium Friday night to a most responsive audience.

He opened his program with two short, English sacred songs by Purcell and William Byrd, of dramatic quality, instantly playing fine resonance and placement. The third song, "Hymn to God the Father," by Ralph Vaughan Williams, showed a sensitivity of expression for conveying the intent of the music.

## Swimmers Win Fourth Straight

AHS Girls again trounced the opposing team in the Andover-Arlington Swim Meet held this week.

The Medley Relay of Gass, Hannawalt, Hart and Barrett took first place. Other first places were taken by Eileen Hannawalt in the 200 Freestyle; Ann Hart in the 200 IM; Diane Young in diving, and Elizabeth Gass in Butterfly. Diane Clendaniel placed first in the 500 Freestyle, Sally Yeates in the Backstroke and Celeste Frocione came through for the team in the Breaststroke. The last event, the 400 Free

Relay was won by Clifton, Keegan, Syiek and Pratt. Swimming unofficial in the same event was the team of co-captains Bobbi Wright and Colleen Dowd, Patti Pelc and Linda Jensen who did a fine time of 4:02.

Those gaining points for the team with second and third places were Yeates, Frocione, Wall, Anderson, Clendaniel, Lindholm, Colpitts, Palmer, Gass, S. Young, Garrett, Darwin, Barlow, Gruen, Sangermano, Harhen and Barney.

The final score was Andover 52, Arlington 21.

## Hey, Tewksbury, This Is Andover!

Andover's board of water commissioners, who also are selectmen, will send a bill to the town of Tewksbury for \$39,000 for water mistakenly drawn from Andover mains.

Despite some negotiation carried out by the town manager and the director of public works, the selectmen Monday night, failed to accept the fact that an honest error was made in the turning of a wheel on a gate which permits the water to pass into Tewksbury in times of emergency.

Town Manager Austin explained to the board Monday night that he had discussed the problem with officials from the suburban town and that there had been some agreeable terms reached. Austin said that the error was there, it was not recognized until considerable time had passed and that the cost of processing the water should be borne by Tewksbury, an amount in the vicinity of \$5,000.

The manager was initially scolded for going forward with any negotiation procedure and we will come to his defense on this immediately. Quite generally, when a problem of this type arises, the selectmen immediately pass the matter off to the manager, quicker than a quarterback laterals off on a Saturday afternoon when he sees a behemoth approaching from the opposite line.

At the conclusion of discussion Monday night, the board, in fact, handed it back to the manager to proceed with billing Tewksbury for the \$39,000 and maintain good public relations between communities in the process.

Recognizable in all of this, along with some other actions of the board, is the continuing attitude of isolationism by Andover -- that here we are and we'll never need help or assistance from anyone else.

A significant comment stands out amid the discussion of the problem and it came from the town manager. Austin noted that from time to time, he, DPW Director McQuade and Selectman Richard Bowen, when he was manager, had found themselves in a position of having to go hat in hand to surrounding communities for help with some problems from time to time.

Maintaining good relationships between officials of surrounding communities is imperative as we continue to placate mutual growing pains.

Ramming a bill down Tewksbury's corporate throat isn't found in the index of the book on good intercommunity public relations.

We'll not quarrel about the differential in amounts due the town \$5,000 vs. \$39,000 because the amount more than likely will be worked out in a much more amicable manner than was evident Monday night. More than likely Tewksbury officials will confer with the local board at some time, at which juncture our neighbors will no longer be viewed as poachers, and a hail fellow, well met attitude will prevail.

Monday's effort, we would judge was aimed at two things, embarrassing the manager and DPW director and emphasizing Andover's air of independence -- a feeling which could be punctured the next time the town seeks some assistance or agreement with a neighbor.

That air of independence also prevailed in the discussion of the town's Growth Policy statement, which has yet to be finalized by the board.

After a survey and several weeks of work by a special study committee, the selectmen still are desirous of interjecting additional thoughts into the statement to be forwarded to the state office of planning.

General feeling is that the Andover statement will attain some sort of particular, individual attention. Not to diminish the work of the committee, but our feeling is that the contents of the statement will be examined briefly before becoming but a number of dots in a computer.

One other item off Monday's agenda -- that of Christmas lights.

The selectmen can't find \$1,000 to assist the Chamber of Commerce with their Christmas lighting program, but will provide assistance in the form of equipment and manpower, to be worked out by the manager and the DPW director.

We seriously doubt that anyone would complain about transferring \$1,000 to insure a holiday lighting display, even the conservative Finance Committee could hardly turn Scrooge on that one.

Maybe there's some money left in that Harbridge House Administrative study account that could be transferred.

It is of such things that make observing the local scene better than watching leaves mulch -- just barely.

## WEEKLY SPECIAL

### The Traveling Congress

by Jack Anderson  
with Joe Spear

WASHINGTON — Each year, members of Congress swarm over the world. They poke their legislative noses into out-of-the-way places from the nightclubs of Paris to the bazaars of Baghdad.

Most congressional parties are accompanied by government escorts, who make appointments, expedite arrangements and handle the luggage. The care and feeding of congressional travelers is a major operation.

As an example, we have just completed a full investigation of a trip to the Middle East earlier this year by House Speaker Carl Albert. We managed to get the cables that went out from our embassies in preparation for his visit.

We paged all the cables together and measured them. There were 20 feet of them.

Albert's trip was planned down to the last detail. As he moved from country to country, the embassies advised him in advance what he should say to his hosts, when he could drink a cup of tea, how to pronounce Arabian names.

The Pentagon assigned a military aide, with the rank of major, to accompany the speaker. The major's duties, according to one cable, were "to see to the speaker's transportation, pay

hotel bills," and the like.

The State Dept. also provided a babysitter for Albert. One of our dapper diplomats was always on hand to attend to the speaker's needs. Dozens of other diplomats were involved in making the arrangements. These were communicated to the speaker by costly classified cables.

They instruct Albert, for example, how to pronounce the name of his host in Kuwait. It was spelled g-h-o-n-e-i-m and pronounced "Goo-name." The cables explain that Ghoneim "is a relaxed and friendly man who enjoys a good joke."

"You can speak to him the same way you would to an American," instructed one cable. "A good opening gambit might be to congratulate him on Kuwait's opening victory over archrival Iraq in the Gulf soccer championship."

The cable sternly warned Albert that he should refer to "The Gulf," never the "Persian Gulf." The Arabs, it was explained, are extremely sensitive about Persian domination of the Gulf.

We were never able to find out how much the trip cost. Our reporters spent more than three days trying to get the figures. The speaker's aides claimed they didn't know. The clerk of

the House, who handles congressional expenses, said to ask the speaker. The Pentagon admitted spending only \$500 to take care of the speaker's incidental expenses.

The taxpayers might like to know what they got for their money. The speaker submitted a report to Congress. It filled slightly over one page of the Congressional Record. The report was well-written. But all it really said was that the Middle East is important and there are problems out there.

**BOYCOTT BLUES:** The Commerce Dept. still hasn't released the full story of the Arab boycott. We've learned, for example, that the boycott isn't limited to companies doing business with Israel.

The Arabs are also boycotting firms that sell insurance to companies that do business with Israel. Sixty-seven insurance companies are on the secret Arab boycott list.

These include some of the biggest insurance companies in the United States, such as All State Insurance, Transamerica Insurance and Connecticut General.

The Arabs won't do business with any company that buys insurance from these 67 firms.

Here's how it works: About \$7 billion worth of goods will be exported to Arab nations this year. Most of these goods are shipped by sea. The exporter must insure that the goods will arrive safe and sound.

But the Arabs won't accept shipments from any company that takes out insurance with a company on the boycott list.

**DIRTY POLITICS:** Four years ago, the presidential campaign was one of the dirtiest on record. White House aides

engaged in bag-jobs, forgeries, frame-ups, break-ins, rough-ups and buggings.

In comparison, the campaign this year has been a Sunday School social. But it has had its ugly moments. There was an effort, as we reported earlier, to implicate Jimmy Carter in a sex scandal. We established that the whispers were false.

Rumors were also peddled to the press that Carter received psychiatric treatment in 1966. That was the year he lost his first race for governor of Georgia. According to the rumors, he took his defeat so hard that he wound up in a sanitarium.

Some candidates for Congress tried to link the incumbents with the Wayne Hays-Elizabeth Ray sex scandal. In California, for example, candidate Louis Bruto accused Rep. James Lloyd of supporting Hays. The truth was that Lloyd was one of only 30 House members who had the political courage last May to sign a petition opposing Hays.

In New York, challenger Peter Cohalan accused Rep. Tom Downey of voting himself a 5 per cent pay boost. Actually, Downey voted against including congressmen in the cost-of-living pay increase.

One of the worst radio commercials was prepared for use against Rep. Tim Hall of Illinois. The announcer said: "Congressman Wayne Hays — resigned; Congressman Allan Howe — convicted; Congressman Henry Helstoski — indicted; Congressman Tim Hall — seeking re-election."

But Hall's challenger, Tom Corcoran, refused to air the commercial. He said it was unfair. He preferred to run a clean campaign.

### For Those Of Us Who Are Older

"Hi-ho! Come to the Fair!" It will be held Nov. 18 and 19 at The Haven and will feature hand crafted articles for your Christmas giving. There will also be a collection of white elephant items and delicious baked goods. Refreshments - including lunch - will also be offered to earn money for the activities of The Haven, Andover's senior citizen drop-in center on Essex Street.

The Greater Lawrence minibus service is available in Andover every Monday and Friday to help you get to appointments. Every other Friday arrangements have been made for it to transport those interested out to the Voke School to have the ladies hair done. Any

woman interested in this service should call the Haven for details. To use the mini-bus for doctors' appointments, etc., call at least 24 hours in advance to reserve a place. The bus will call for you at your home and return you to your home.

Reservations for the three-day trip to New York City are still available at The Haven. The group will leave Andover Dec. 10 and return the 12th. The total cost of \$129 includes double accommodations at the fabulous, deluxe Drake Hotel at 56th St. on Park Avenue and all meals, breakfast, lunch and dinner, as well as tips and taxes. You will be escorted through the Lincoln

Center, Rockefeller Center and see the famous Christmas show at Radio City Music Hall. Sign up today for this very special holiday treat.

Tickets are available for the Annual Haven Christmas Party. It will be held Dec. 9 at 6 p.m. in West Junior High School and the tickets cost \$2.50. There will be an old-fashioned Christmas dinner of roast turkey with all the fixings followed by entertainment provided by the Andover School music department. This annual event is always a highlight of the Christmas season. You will not want to miss it, so get your ticket today at The Haven.

public schools at any given time if these proposed transfers are allowed to transpire!

I, for one, feel completely betrayed by this action of the school committee; however the students will suffer the most damage by this trauma brought about by the school committee and possibly by the pressure of the school administration.

Economy is given as a reason for this frivolous manipulation of the lives of these teachers and their students! To be penny wise and pound foolish is a distinct black mark on the town of Andover which has always prided itself on its fine school system. You get what you pay for and by trying to pinch pennies on the salary of a much needed and experienced secondary level English instructor, the school administration is robbing the elementary school students of an opportunity to obtain a fundamentally sound education in the basic concepts as taught by Mr. Doherty will provide any school committee member an education in enrichment and sound principles of the fundamental concepts so desperately needed at the elementary level today. By the time that a student reaches the secondary level, his opinions and basic concepts have already been formed. Mr. Doherty is presently performing at the level where children are most receptive to learning experiences. Enthusiasm for learning and an enjoyment of knowledge are shared by the students and Mr. Doherty in his classroom with all the creative resources that he has made available to them. By treating each student as an individual instead of a number, Mr. Doherty has cultivated and attempted to bring out the best in each youngster from the brightest to the slowest learner.

As a dedicated teacher, loved and respected by his fourth graders both in the class room and out on the soccer field, Mr. Doherty deserves far more than the callous and insensitive treatment that he has received at the indiscretion of the Andover school committee and the school administration. He has devoted more than class room hours to his kids — he has given freely of his mind and heart to their welfare and their right to a good education.

In a year when so much ado has been made of bringing back the traditional concept of teaching to the Andover school system in order to provide a better basic education for students, the school system is attempting to oust an outstanding elementary school teacher out of its ranks into the upper levels, where the basic concepts should already have been mastered.

Right now, at this very moment, the high school students deserve and need an experienced English instructor, well versed in their particular requirements for college preparation; a position which Mr. Doherty is more than capable of filling given the proper time for preparation; however two weeks notice (while carrying on a full schedule of 4th grade level work) is hardly adequate enough time for any individual, much less a conscientious instructor like Mr. Doherty to become familiar with skills necessary to teach at the secondary level.

After misusing the guidance talents of Mr. Miles Wasserman as an English instructor at the high school since last Spring, the school department has now decided to make Mr. Doherty their scapegoat! Bravo to you, Mr. Wasserman, for finding a guidance position elsewhere!!

My eldest son, a product of the Andover school system is now a college freshman (no thanks to his education in English from the Andover school system) and still

cannot construct a grammatically correct English sentence. By the time he got to high school, it was too late! The basic principles of grammar and sentence structure should have been learned at the West Elementary School and they weren't — back in the days of the contained classroom, when open concept was just coming into popularity!

Now, my youngest son is enjoying the fantastic talents of Mr. Doherty; receiving a strong basic background in spelling, reading, writing, and math, as well as creative, artistic enrichment in an open concept classroom and is about to be robbed of all this "good stuff" that he is thoroughly enjoying by an uncaring school committee in the name of economy! Economy of what? Economy of a few thousand dollars! A cheap shot is what it is!!

There is no economy when 290 students are sacrificed at a crucial stage of their learning development! A mind is a precious thing to waste and who can say what will happen to the impressionable minds of all these nine and ten year olders when their academic routine is abruptly disrupted in the middle of their school term!

If there must be transfers, in the words of Dr. Wescott, the most "propitious" way to do it would be — 1. at the beginning of a new school year in September for the sake of the students; 2. It would be common courtesy to discuss any proposed changes with the individuals involved before the transfers are published in the local weekly newspaper; 3. If economy is a factor, a second look should be cast at the nearly \$6,000 appropriated (by the same school committee members who proposed the transfers of Mrs. Darby and Mr. Doherty to save a \$14,000 salary) to enrich the lives of 81 "gifted" students in the Andover school system. Why should 81 students receive nearly \$6,000

in creative opportunity in addition to their basic elementary education, when 290 students are going to have their basic elementary educations thrown into chaotic upheaval in a few days for the sake of a \$14,000 proposed saving?? This is complete madness and inconsistency on the part of the Andover school committee and the school administration!!

If the Andover school department could find the means to institute a traditional program of elementary education for 100 pupils at the West Elementary school this year, surely the department can find the means to cancel these senseless proposed transfers and 1. continue the 4th grade classes of Mr. Doherty as they presently stand, 2. find a more suitable position for Mrs. Darby, who has had 13 years of kindergarten level teaching and 3. fill the high school English instructor position with a qualified person, experienced in teaching English! The English instructor post had been posted at the West Elementary School! Has anyone seen it listed in the local newspaper? Qualified English instructors are actively seeking positions, but not on the bulletin board of an obscure hallway at the West Elementary School!! Publish the opening in the local newspapers, sit back, and select a suitable English instructor and give all of the Andover students involved; high school and elementary school level, a fair chance to the best possible education.

To the Editor of the TOWNSMAN

The letter of James Doherty of October 28 and the advertisement of the Andover Education association appear to warrant public concern and attention. However, since only one side of the story has thus been presented, we believe it would be in the public interest for the An-

dover Townsman to invite Drs. Seifert and Wescott to explain their positions in the Public Forum. We also believe that the matter is of sufficient public importance for the Superintendent to call an open hearing.

pecially, to become involved in the Core Evaluation process. There may also be many parents who have been unable to decide whether to refer their child for evaluation and would like to learn more about what a Core Evaluation actually means.

## In Chorale

For the first time since 1961, Handel's Messiah will be performed by the Masterworks Chorale, under the baton of Allen Lannom, now celebrating his 25th year as conductor.

The chorus of 146 voices is drawn from more than 40 cities and towns. Singers include Anne Carter of Andover.

The performances will take place in Cary Hall, Lexington, on Saturday, Dec. 4, at 8:30 p.m. and Sunday, Dec. 5, at 3 p.m.

## Evaluation Team To Be Available

The Elementary Core Evaluation Team of the Andover Public Schools will begin an "Information Line" on Monday evenings. Stephen Jankauskas, Core Evaluation Team Chairman, and Elizabeth Serbagi, Home Visitor, will be available at their Jackson School office, 475-1575 or 475-2532 on Monday between the hours of 6 and 8 p.m. to answer calls from parents and teachers.

This service has been established in an effort to promote more effective home-school relations, recognizing there are many teachers and working parents within the Andover community who may not be able to reach the team during their working day. It is hoped that this service will enable fathers, es-

### Preparing For Sale

Checking over one of several offerings to be available at the annual Hay Scales Exchange Christmas Sale scheduled for Nov. 16 and 17. From left, Mrs. William N. Eckerson, Mrs. John Good and Mrs. Charles Turner, III.

## Christmas Sale At Hay Scales

The Hay Scales Exchange will hold its 23rd annual Christmas Sale Tuesday, Nov. 16 and Wednesday, Nov. 17 at the large barn of North Andover Country Club, Great Pond road, and in the shop in North Andover Center.

Both sites will be open from 10 a.m. to 5 p.m. Tuesday and 10 a.m. to 2 p.m. Wednesday.

The Exchange, open year round except for two weeks in July, is a non-profit organization whose primary purpose is to provide a marketplace for the sale of consigned handcrafts and home prepared food. A special committee carefully guides the consignor so that the workmanship and design of items will be of the highest quality.

Seventy-five percent of the selling price is returned to the consignor while the remaining twenty-five percent is used by the Exchange to help maintain the shop. Essential to the Exchange is the financial support of its members. Membership is open to the public and a membership table will be featured at the sale.

Among the many articles available at this year's fair will be: hand painted decorative accessories, boutique wastebaskets and lampshades, original infants and children's clothing, hand-knit sweaters, mittens, and hats, handsome Christmas decorations, culinary novelties and casseroles and gifts of special excellence.

Mrs. Paul R. Donahue is president of Hay Scales. Mrs. Charles H. Turner is chairman of the sale and Mrs. John J. Good is co-chairman.

Others working on the sale include: Mrs. John M. Wall and Mrs. Melvin L. Weiner, cocktail party; Mrs. Frederic P. Worthen Jr., snackbar; Mrs. Joseph R. Rokous, membership; Mrs. William A. Reoch, volunteers; Mrs. Ariel W. George Jr., transportation; Mrs. Peter T. Worthen, decorations; and Mrs. David B. Woodworth, Mrs. William B. Duffy Jr., Mrs. Peter W. Holland, Mrs. Mrs. Eugene A. Bernardin Jr., Mrs. Robert F. Lampe, Mrs. J.R.D. McClintock, Mrs. John Avery Jr., and Mrs. Thomas J. Swift.

### Co-Op School Pupils

Members of this year's class at the Community Co-operative Nursing School are: Front row - left to right. Mimi Bernardin, Amanda Gukzian, Jason Spencer, Mark Oliver Edelsberg, Sarah Walker, Layne Whitley, Chris Dudley, Rachel Butler, Christy Dixon. Back row, left to right. Jeremy Kovacs, Rachel Morse-Dix, Katie Crossfield, Julie Morse (teacher), Steven Koven, Michelle Diamondis, Rachel Graber (teacher).

### Field Trips Enjoyed

The Community Co-Op Nursery, held at the Unitarian - Universalist Church on Lowell Street, has opened its school season with a variety of activities. The school is headed by Julie Morse and Rachel Graber as teachers, and operates under the cooperative plan whereby parents assist and participate in nursery program.

In addition to the regular nursery activities of guided group and individual projects, the youngsters have also participated in a number of cooking projects. There has also been a special musical program offered by one of the students brothers as well as many interesting art projects.

The highlight of the Fall season has been two enjoyable field

trips. The first trip was to the Phillips Academy Science Building, where the group was able to view and touch spiders, an alligator, as well as a boa constrictor. Following this adventure, the children and teachers went to apple orchard to search for some tasty treats. The last field trip was a visit to Bruin Hill Farm in North Andover. Here the children went on a hayride and had some worthwhile experiences with animals and farm life. After refreshments, they went to the barn and saw various farm animals as well as a cow being milked.

The Fall season has been a busy one and the whole group is looking forward to an equally busy and enjoyable winter season ahead.

### Sisterhood Schedules Boutique

A Holiday Boutique and Luncheon will be held by the Sisterhood of Temple Emmanuel of Lawrence on Tuesday, Nov. 9 from 11 a.m. to 2 p.m.

The Boutique will feature tables of decorative items, plants, straw baskets, jewelry, lucite items, canvas bags, stationery and turtle-neck and T-shirts.

It will be open until 2:30 and those people who do not wish to attend the luncheon are encouraged to visit the Boutique.

The Tea and Luncheon committee is co-chaired by Anita Karas, Joan Labell and Adele Mascott, and reservations are urged. Please call the Temple by Friday, Nov. 5. Baby sitting is available.

Helene Gack and Anne Goldstein are fund-raising co-chairpersons. There will be a door prize awarded.

### Junior Gardeners To Meet

The November meeting of the Andover Junior Garden Club will be held Saturday, Nov. 6.

Members will bring their flower arrangements in tuna fish cans to the Bay State Bank at 10 a.m. Mrs. Ralph Hill and Mrs. Albert Fitzgerald will comment on each design as if it were in a

flower show.

The purpose of this meeting is to help each child understand the judging of arrangements in a standard flower show. The meeting will adjourn at 11 a.m.

### Halloween Party At Nursery

Witches, ghosts and super heroes were seen in the area of West Parish Nursery School last Wednesday morning! Why? It was the Nursery's annual Halloween party.

Each child arrived at school dressed in his special costume. Batman, the Six Million Dollar Man, Cinderella, two devils, several cowboys and many beautiful fair princesses were present. The jolliest guest of all was the children's table centerpiece 85 pound pumpkin with a smiling face. He was grown expressly for the party in the vegetable garden of class member, Jonathan Lewis, 6 Holly Terrace.

After a happy morning of play and refreshments, a peanut hunt was held.

### Silent Auction

The Mother's Guild of St. Augustine's school is having their Silent Auction on Thursday, Nov. 11 at 7:30 p.m. in the school hall. A variety of new and handmade articles will be available and just in time for the holidays. Co-chairmen of this event are Mrs. Marilyn Salvi and Mrs. Kathy Scanlon. Everyone is welcome.

## La Leche League To Meet

The La Leche league of Andover and No. Andover will hold a meeting on Tuesday, Nov. 9 at 8 p.m. at the home of Mrs. June Meckel, 87 Ballardvale Road, Andover.

A non-sectarian, non-profit organization, the league proposes to teach, encourage and give

moral support to mothers and mothers-to-be who want to breastfeed their babies.

Tuesday's topic, the third in a series of four informal discussions, will be, "The Family and the Breastfed Baby." Mothers with babies are encouraged to bring them.

A church mortgage has been the Andover Baptist Church's "Reason for Being" according to Mrs. Esther general chairman of the Bicentennial Harvest Fair held at the church on Saturday Nov. 13, from 9:30 to 4 p.m.

Serious structural weaknesses in the 143-year-old Baptist Church building were discovered during a decorating project last summer - weaknesses demanded immediate, involved reconstruction to save the historic church. The necessitated a new mortgage presented a new challenge church fair committee.

Mr. Ruth Thompson, president of the Friendly Circle which as steering committee for the fair, reported that the project from the series of "Ye Tyme Harvest Fairs" during the past five years were largely responsible for the shortened term of the mortgage for the construction of modern Sunday School facility out of the old dirt basement modern basement area and church vestry at street level. ### Preserving Colonial Design

Mrs. Esther Estelle and Rev. Earl G. Robinson, pastor of Andover Baptist Church examine one of the beams to be worked on during church renovations which are designed to maintain the original colonial architecture. The annual church fair, with Mrs. Estelle serving as general chairman, will assist in financing the project.

## Fair Aids Restoration Fund

A church mortgage has always been the Andover Baptist Church Fair's "Reason for Being", according to Mrs. Esther Estelle, general chairman of the Bicentennial Harvest Fair to be held at the church on Saturday, Nov. 13, from 9:30 to 4 p.m.

Serious structural weaknesses in the 143-year-old Baptist Church building were discovered during a decorating project last summer - weaknesses which demanded immediate, involved reconstruction to save the historic church. The work necessitated a new mortgage and presented a new challenge to the church fair committee.

Mr. Ruth Thompson, president of the Friendly Circle which acts as steering committee for the fairs, reported that the proceeds from the series of "Ye Olde Tyme Harvest Fairs" during the past five years were largely responsible for the greatly shortened term of the mortgage for the construction of the modern Sunday School facility out of the old dirt basement. The modern basement area and the church vestry at street level on Central Street will both be used for the upcoming Bicentennial Harvest Fair, which the com-

mittee expects to make a record contribution towards reducing the new debt.

Tables and attractions planned by various organizations and individuals of the church will include the Friendly Circle's Handmade Gifts, Norma Evans and Joyce Blake, chairmen; Decorations, Lin Robinson, Hazel Witzgall, and Linda Lounsbury; Casserole-Deli, Mabelle Otis and Vivian Guy; Nearly New, Barbara Woodworth; Plants, Dorothy Gordon; and Parcel Post, Peggy MacDonald.

The Women's Missionary Society led by Edith Stevens will have aprons and white elephant items while the Craymer Missionary Circle under the leadership of June Hollis will supervise the bakery table.

The Used Toy and Book Table, a favorite with the children, will be set up by Mrs. Margaret Gaw, and Mr. and Mrs. William Gerard and Mr. and Mrs. Keith Roberts are directing the combined youth groups that will have a candy table.

There will be a display of wood art by Ernest and Robert Stocks with items for sale, and Arthur Smith will supervise the Country

Store featuring cheese, apples, cider, and homebaked beans.

Beginning at 9:30 a.m. morning coffee with homemade donuts and muffins will be served by Albert Evans, Emerson Wilson, and Everett Ward, while John Webb will operate the Snack Bar providing hot dogs and soda all day. The Sandwich Shop in charge of Ruth Stocks will feature fish chowder, sandwiches, and deserts for

## Seifert Speaker In Family Series

Faith Lutheran Church will begin a three part series entitled "The Family in Changing Times" this Sunday morning, Nov. 7.

The guest presenter this Sunday will be Dr. Kenneth Seifert, superintendent of the Andover school system. His presentation will be held from 9:15 to 10:15 a.m. Prior to his presentation the congregation will meet at 8:30 a.m. to have breakfast together. Arrangements for the breakfast are being coordinated by the Fellowship Group, with Dan and Sally Thoren having primary responsibility.

The series will continue on Sunday, Nov. 14 with Dr. Larry Larsen, a clinical psychologist practicing in Andover, discussing the pressures facing families.

The series will conclude on Sunday, Nov. 21 when Brian Langdon, executive director of the Family Service Association of Greater Lawrence, will lead the discussion.

All these sessions will be held from 9:15 to 10:15 a.m. The public is invited to attend. This series is being sponsored by the Nurture Group, under the leadership of Marilyn Burns and Gerard Koerckel.

## Anniversary Theme Featured At Fair

West Parish Church in Andover has been celebrating its sesquicentennial (150th) anniversary this year. In keeping with this theme, the Country Fair to be held Saturday, Nov. 13, will feature articles for sale from the past plus those which are new.

The country store with home-made preserves and jellies, the bake shop with home-made pastry, the corner for Antiques, and another for "almost new" items are always favorite spots to browse.

Jewelry, both old, used and new, hand-made will be available as well as a variety of knitted articles, Christmas decorations, crafts and gifts. Tables displaying pottery, teddy bears, and clocks are sure to be popular attractions.

For the children, there will be lunch, and cakes and goodies for afternoon tea. The girls from the Junior High Sunday School class will be waitresses; Mr. and Mrs. Walter Winn will decorate the rooms and the Men's Work Committee, headed by church moderator, Werner Arthur, will provide help as needed.

a special Children's Auction featuring games and toys. Other tables at the fair will offer aprons, gadgets, and many miscellaneous articles for sale.

Morning coffee will be available; in addition, a luncheon will be served from 11:30 a.m. to 1 p.m., followed by afternoon tea.

### Making Floor Pillows

Mrs. William McNamara and Mrs. Ralph Jannini of St. Robert's Parish, Andover/Tewksbury, adjusting the sewing machine for heavy duty work making floor pillows for the bazaar.

## Heritage Bazaar At St. Robert's

St. Robert Bellarmine Church of West Andover and Tewksbury invites the public to "come join the party" at their New England Heritage Bazaar on Saturday, Nov. 6, from 10 a.m. to 6 p.m. General chairman for the event is Marie Sweeney of Tewksbury.

For the occasion, the parish hall will be transformed into the square of a late 19th century New England town with a block party motif. Village shops will be grouped around the gaily decorated square selling goods made, baked or grown by parishioners over the past year.

A bandstand labeled, "The Prize Pavilion" in the center of the square, managed by Bob Pelletier, will offer a "Montreal Weekend for Two."

Pine cone wreaths, Christmas ornaments and stockings plus a beautiful ceramic Nativity set, a raffle item, reflect the many busy fingers in the Tree Shoppe, managed by Lois Glencross and Marcia Vecchi.

Other shops and their specialties are: "The Family Portrait Studio", pictures by appointment, Audrey Salava in charge; "Yarn Shoppe", hand knits and crochet items by Gen Lemieux; "Potpourri" a shop filled with pillows, chill chasers, doll mops, knitting bags, with an old-fashioned doll in her own wicker basinette to be won, under the management of Pat Alexander and Pat McNamara; the "Plant Shoppe", with plants and holders, proprietors — Mary Damphousse and Shirley Daley; the "Second Hand Shoppe", white elephant items, Terry Pelliccione; the "Bake Shoppe", cakes, cookies, Bernadette Lenk and Sue Zembko, and the "Wood Shoppe", woodcraft items by Nancy Christoffels.

Children can visit "Mother Goose Land" where "Mother Goose", Marv Krigbaum, will read stories plus offer used toys, books and records. They also can

view films at the "Movie Theater", with Helen Keegan, and play games in the "Children's Corner", with Sheila Coleman and Dennis and Lisa Vecchi.

Refreshments throughout the

day can be had at the "Snack Shoppe" managed by Gerry Christoffels.

Decorations for the event were planned by Koni Jaworski and Terry Sullivan. In charge of publicity is Mary Ann Regan.

## Corporate Communion For Guild

The annual Corporate Communion of the Friendly Guild of Christ Church will be held on Sunday, Nov. 7 at the 8 a.m. service followed by breakfast at the Elks. All members are urged to attend.

The November meeting of the Friendly Guild Christ Church will be held on Monday, Nov. 8 at 7:45 p.m. This will be a work meeting for the shut-ins. The refreshment committee consists of Mary LaCouture, chairman; Vera Martin, Mary Harris and Anna Greenhow.

### Genetics Pioneer

Austrian Monk Gregor Mendel pioneered in genetics in 1857 by cross-breeding garden peas and recording their inherited traits. His findings, unnoticed until 1900, set off worldwide research that led to development of hybrid plants.

# Selectmen Deny House Move Permit

07

12

THE TOWNSMAN, NOVEMBER 4, 1976

THE TOWNSMAN, NOVEMBER 4, 1976

Selectmen Monday night denied, without prejudice, a request by John Chapman of Boxford, to move a house and barn from Laurel Lane to Bowdoin street in Lawrence.

The board expressed dissatisfaction with the plans for the move to be made by either of two routes, one of which affects trees, the other the moving of telephone cables, to which the New England Telephone Co., officials object strongly.

It was the third time the proposed move was before the selectmen for decision, each time meeting with objection, particularly with regard to trees.

Monday night, Chapman presented the board with an alternate route for the house move, which would take the buildings directly over River Road along the entire route to Lawrence.

The original route was over

River Road to North Street to Webster Avenue to Lawrence.

The straight River Road route would result in the telephone company having to move two major cables, requiring at least six days in preparation for the move, and then a schedule of 6 a.m. to midnight, to effect the dropping of the cables and returning them, provided the move was on schedule.

John Crowe of the Telephone Company said that the work would be of major proportion to accommodate the move and felt the original route would offer nothing unusual in the way of providing a path for the house move.

Selectmen were concerned about at least one tree, that in front of the Hudgins property on North street. It was judged that there would be considerable damage to the particular tree.

Selectmen were also concerned that the equipment be suitable to effectively carry out the move. Selectman Susan Poore, who inspected the proposed routes again on Monday, commented that the equipment used in the moving of two houses a month ago up River Road, was less than satisfactory and resulted in problems.

Loss of power was also an issue. Selectmen were informed by those along the route of the last move, that power and telephone lines were out for over an hour or more in some instances.

Chairman Milton Greenberg advised that, if the move were to be approved, the telephone and electric company would have to guarantee either no loss

of bare minimum of loss of power to those homes along the route.

Selectman Janet Lake said that if the move were to be approved, she would insist on more stringent regulations this

time.

Mr. Chapman asked the board to establish the conditions and he would proceed.

Chairman Greenberg, after taking a straw vote which indicated the board's un-

willingness to grant permission for the move, informed Chapman that he could return again and left the matter of establishing agreements and conditions to the petitioner to work out.

## Wilson In Concert Saturday

Saturday evening, Nov. 6 at 8:30 p.m. Kenneth Wilson, noted New England organist, will present "Music for a Fall Evening" on a great organ in the Methuen Memorial Music Hall.

Mr. Wilson has served as director of music for WHDH-TV. For sixteen of his WHDH years Kenneth Wilson was "Ken" of New England's highest rated music program, "The Ken and Bill Show."

For ten years, his followers have enjoyed his two hundred and twenty programs at the famous Hammond Museum, a medieval castle in Gloucester. He is Commencement Oranist for Northeastern University.

This presentation is sponsored by Acacia Chapter No. 80, Order of the Eastern Star, Wilmington.

## Militia Meeting In No. Andover

On Tuesday, Nov. 9 at 7:30 p.m. The Andover Co. of Militia will hold a meeting at the Stevens Memorial Library for those persons in the North Andover area interested in joining the militia.

The Andover Militia is a family organization dedicated to an authentic portrayal of 17th century colonial life. Openings for the group exist both in the militia itself and in the life and drum.

In 1775 North Andover and Andover were still one town and the Andover Militia consisted of men from both the North and South parish. The Andover Militia would particularly like more members from North Andover so they can truly represent both towns.

Docket No. 207678

Essex, ss.  
To all persons interested in the trust estate under the will of ALFRED L. RIPLEY late of Andover in said County, deceased, for the benefit of PHILIP F. RIPLEY and others: and to the ATTORNEY GENERAL of said Commonwealth.

The twentieth to twenty-fourth accounts inclusive, of said trust have been presented to said Court for allowance.

If you desire to object thereto you or your attorney should file a written appearance in said Court at Salem before ten o'clock in the forenoon on the fifteenth day of November 1976, the return day of this citation.

Witness, ALBERT P. PETTORUTO, Esquire, First Judge of said Court, this fifth day of October 1976

JOHN J. COSTELLO, Register  
Oct. 21, 28; Nov. 4, 1976

In preparation for the White House Conference on Handicapped individuals, the Massachusetts Conference on Handicapped Individuals will be held at Northern Essex Community College on Saturday, Nov. 6, from 9 a.m. to 5 p.m. in the gymnasium building on campus. The purpose of these conference activities, authorized by Public Law 93-516, is to stimulate an awareness of and sensitivity to the needs, problems, and issues of handicapped individuals

and to develop recommendations for legislative and administrative actions.

President John R. Dimitry, of Northern Essex Community College, has expressed his appreciation of the honor accorded the College by Governor Michael E. Dukakis, in asking the college to host this conference. President Dimitry said this honor is recognition of the considerable efforts expended by many personnel at the College toward

making Northern Essex Community College a place where all persons in the Merrimack Valley might come to acquire the education needed for their fullest employment and personal development. Northern Essex Community College has obtained grants totalling almost \$200,000 for the purpose of making the entire campus barrier-free and accessible to all mobility-impaired people. Completion of this work is expected by June 1976.

## Revaluation Seminar

On Wednesday, Nov. 10 at 8 p.m. at the Ipswich River Wildlife Sanctuary Barn, Topsfield, Essex County Greenbelt Association is holding a Seminar on Revaluation. The purpose is to study how the law (Chap. 59, Sec. 38 of the Gen. Laws of Mass.) calling for full and fair cash value will affect the large land owners, and to look at the options the large land owners have available to them.

Atty. Alexandra Dawson of Conservation Law Foundation will talk on the tax implications of the new law, and the advantages of giving land for conserva-

tion and conservation restrictions.

Clifton Mix of The New England Forestry Foundation will discuss the Forestry Act (Chap. 61). Commissioner Frederic Winthrop, Jr. of the Mass. Dept. of Agriculture, will speak on the Farmland Assessment Act. Donald Wood of the Dept. of Corporations and Taxation will represent the assessors' point-of-view. John Pierce, president of Essex County Greenbelt Association, will preside. The discussion will be arranged to allow ample time for questions.

The meeting will be of timely assistance to farmers and landowners, and of special interest to planning board and conservation commission members.

Anyone is welcome to attend.

## Carlson In Navy Exercise

Machinist's Mate Fireman Scott A. Carlson, son of Mr. Elton A. Carlson of 20 North St., Andover, participated in the NATO Exercise "Display Determination" in the Mediterranean Sea.

He is a crewmember aboard the guided missile destroyer USS Barney, deployed with the U. S. Sixth Fleet. His command joined with naval forces from Portugal, Italy, Turkey and the United Kingdom for the combined exercise which included convoy operations, amphibious assault landings and anti-submarine warfare maneuvers.

The primary objective of the exercise was to train NATO naval forces in combined sea operations, to refine NATO procedures and ensure that operational plans were current.

Participating units evaluated increased standardization of doctrines, equipment and armaments among NATO forces, plus command and control procedures for coordinated action by NATO sea, land and air forces.

The convoy operation tested Allied capabilities to reinforce and resupply ground forces in Southern Europe. Acting as opposing forces, NATO units simulated surface, subsurface and air attacks along the convoy's route.

"Display Determination" was one of a series of annual operations, conducted each fall from Norway to Turkey, designed to provide unified and coordinated training of national and NATO forces within the Allied European Command.

A 1973 graduate of Dublin High School, Dublin, Ohio, he joined the navy in July 1974.

MORTGAGEE'S SALE  
OF REAL ESTATE

By virtue and in execution of the power of sale contained in a certain mortgage given by NEAL L. MITTON and BARBARA A. MITTON, husband and wife, of Andover, Essex County, Massachusetts, to Essex Broadway Savings Bank, a corporation duly established under the laws of the Commonwealth of Massachusetts, having its usual place of business at Lawrence, Essex County in said Commonwealth, dated February 26, 1976, recorded with North Essex Registry of Deeds, Book 1277, Page 14, of which mortgage the undersigned is the present holder, for breach of the conditions contained in said mortgage and for the purpose of foreclosing, the same will be sold at PUBLIC AUCTION ON THE PREMISES NUMBERED 84 TEWKSBURY STREET, ANDOVER, MASSACHUSETTS, ON TUESDAY, DECEMBER 7, 1976, at TWO O'CLOCK P.M., all and singular the premises described in said mortgage, to wit:

A certain parcel of land, with the buildings thereon, situated on Tewksbury Street in that part of said Andover known as Ballardvale, being bounded and described as follows:

Beginning at a point on the Southerly side of said Tewksbury Street distance nine hundred fifty-six and 30/100 (956.30) feet from Chester Street; thence running Southeasterly four hundred seventy (470) feet by land of grantor to a point; thence turning and running Northeasterly three hundred seventy-one and 07/100 (371.07) feet to land now or formerly of Tacconi; thence turning and running Southeasterly by land now or formerly of Murnane three hundred three and 60/100 (303.60) feet to the North Bank of the Shawsheen River; thence turning and running along the North Bank of said river eight hundred (800) feet, more or less, to land of Pederson; thence turning and running Northwesterly by land now or formerly of Pederson two hundred fifty-two (252) feet, more or less, to an angle; thence turning and running still Northwesterly by said land of Pederson three hundred thirteen and 75/100 (313.75) feet, more or less, to the Southerly line of Tewksbury Street; thence turning and running Northeasterly by Tewksbury Street in three courses, three hundred eighty-three and 80/100 (383.80) feet, eighty-six and 83/100 (86.83) feet, and ninety-eight and 72/100 (98.72) feet, to the point of beginning.

There is excepted from the above described land a parcel of land shown on a plan entitled "Plan of Land in Andover, Mass. owned by Neal L. Mitton, October, 1965" recorded with Essex North District Registry of Deeds as Plan #5377, said lot is designated as "15,000 S.F."

There is also excepted from the above described land a certain parcel of land described in a deed from Neal A. Mitton and Barbara A. Mitton to Mitton Realty, Inc., dated January 23, 1976, and recorded in said Registry of Deeds in Book 1275, Page 359.

The premises will be sold subject to any and all unpaid taxes and other municipal assessments and liens, and subject to prior liens or other enforceable encumbrances of record entitled to precedence over this mortgage.

Forty-Five Hundred Dollars will be required to be paid in cash or certified check or bank treasurer's check by the purchaser at the time and place of the sale. Other terms will be announced at the sale.

## Mystery Portrait

The Andover Historical Society has in its collection an oil portrait of a gentleman, circa 1840, whose identification is unknown. He may have been an important Andover citizen. His portrait is being published in the hope that some reader may be able to provide a positive identification. Anyone having information about this person should contact the society at 97 Main St. Open hours are Sundays, Wednesdays and Fridays from 2 to 4.

### Top Taxpayers

(Continued from Page One)

ahead, a period during which the Raytheon firm had its new West Andover plant under construction.

Gillette remains as the town's second highest taxpayers with its property valued at \$7,236,000 netting the town \$383,508 in taxes.

Third in the list is the Massachusetts Electric Co., with most of its holdings listed in personal property, valued at \$4,348,600 and taxed for \$230,475.80.

The utility company also had real estate valued at \$90,300 and taxed \$4,785.90.

Ninety-Three Building Trust, owners of the West Andover Industrial area, has property valued at \$3,707,000 and pays taxes of \$196,471, making it the fourth highest taxpayer this year.

Phillips Academy remains among the town's top financial supporters placing fifth with its tax bill of \$160,849.70, based on property valued at \$3,034,900. The academy also has personal property valued at \$41,600, taxed at \$2,204.

Cressey-Dockham, the

wholesale food distribution plant in Lowell Junction, is taxed for \$137,837.10 on its buildings valued at \$2,600,700.

Shetland Properties, owners of the former Raytheon Co. plant in Shawsheen, has property valued at \$2,528,700 and a tax bill of \$134,021.10.

The Brockway-Smith plant off Dascomb Road has real estate property assessed for \$2,043,900 and is taxed at \$108,326.70 and personal property of 7,000 and taxes of \$371.

Colonial Drive Realty Trust, an apartment complex off South Main street, has a tax bill of \$104,924.10 on its properties valued at \$1,979,700. The apartment complex also had personal property valued at \$46,300, netting the town \$2,453.90 in taxes.

Rounding out the top ten taxpayers is the Lawrence Gas Co., with personal property valued at \$1,988,100 and taxed at \$105,369.30.

### Tewksbury

(Continued from Page One)

to negotiations being carried out, Austin told the board, "we sat down as gentlemen from two communities to work on the

matter. It's now on your table."

Austin emphasized that the agreement was to cover processing expenses and that the town was not being asked to subsidize Tewksbury. "There was an honest error and we are trying to make an adjustment."

"Feelings are not in order," Greenberg replied.

Selectman Alan F. French expressed concern over the recording system, questioning how a flow of this kind could go unchecked for such a period of time. He felt the board should come up with a method how to proceed to resolve the matter in view of difference of opinion between the manager and the policy making board.

Greenberg said, "the next step is to send Tewksbury the bill and let them come in to us."

Selectman Susan Poore said she felt it lamentable that the accidental gate opening proceeded along, but was more disturbed that the board and administration was not in accord on the matter.

Greenberg insisted that "Tewksbury has used 33 million gallons of water. We should send them the bill, the money is owed to the town we have to collect."

Selectman Janet Lake said that what Greenberg was suggesting was businesslike, but probably a better way to proceed would be to have the Tewksbury water board come to a meeting in Andover to discuss the problem.

Selectman Richard Bowen said the matter boiled down to a matter of policy. "Either we have a policy on selling water to other communities, or we don't. If the policy is there, then we must sell water at the establish-

ed rate to protect the interests of the town.

Bowen moved that the bill be sent and it was approved, with Greenberg telling the town manager and DPW director to forward the bill and establish and maintain good intercommunity relations.

This was after Selectman French interjected that he thought communications should

be better than simply by a 13 cent stamp.
